Of the people of the abandoned city we have no intelligence. We presume, however, that, as at Vera Cruz, there was a genoral flight. THE CAPTURE OF THE MIRAHON VESSELS. At a late how on the night of the 19th inst, the Secretary of the Návy received the following brief account of the capture of the Miramon vessels: NEW ORLEANS, March 10, 1860. How, ISAAC TOUCEY, Secretary of the Navy : SIR : Licutionant Chapman left Vera Cruz on the 11th instant. in command of the prize steamer Marquez of Havana, as bearer of despatches to the department from Captain Jarvis ; but learning on my arrival here this morning that be had not arrived, I deem it my duty to forward the follow- ing report to you : On the 5th instant, General Miramon commensed the sigg of Vera Cruz, and on the 6th General Marin appeared before the oity with this and another steamor, and not chewing his colors. Com- mander Turnor, in the Saratoga, with detach- menis from the Earnmah and Proble, in the staaners Indiancia and Wave, mis ordered to pro- ceed to the encharage of the stearners, off Anton Lizardo, and accertain their charactor. Upon noning them one of them was scen to be moving off, whon a shot was fired abcaid of hor to bring her to, and the Indianola reat to overhaut her. The hail from the Indianola was replied to by a fire from the General Elfinamol's guns, and a volley of masketry, when the Earstoga fired a broadside, and the action became general, resulting in the capture of both off Marin a steamor, with himself and a largo number of cite on beard. Captaie Jarvis ordered both prizes to this port. The Preble will be here in a few days, with Marin and ansof the prizeners on beard. The Breble will be here in a lew days, with Marin and most of the prizeners on beard. Marine Jarvis ordered both prizes to the steamers. The Proble accompanies the other, with the nejority of the prisoners—the loss of life manil, and among the orise only. They fired the first shot. I will be in Washington as con as pos- sible. TDREGROUND RAILROAD RUNNING SOUTH.--nat kidnapping of John Brown, a free man , in Sadabury township, has brought to realized, which leave no doubt of the , orlattempted establiahment, of an under-railroad, running from the neighborhood of to some point beyond the Maryland line. be recollected that when Brown was in-from his home by Hull and Wilson, he en to a retired place, a few hundred yards thouse, whore he was lied and placed in a , and with revolvers pointing at his heart, aterend with instant death if he attempted the alarm. Hull and Wilson did not ac-y the carriage very far, when a change-mat' took place, and with the new con-Brown was hurried to McCall's Ferry, hat is cross the river at the early hour at which ached that point, they were compelled in all day. This place was apparently not ecoure one, and was not intended to hars ale a stopping place, a certain barn in county, Md., evidently b ing the depot tring the "chattel." This depot was reached a colock on the morning after leaving the here Brown was changed from sgent to ong the line of the route seems to prove vely the ostietnee of a regularly organised y for the transportation, by the free-pass of all ench likely darkies as are unfortu-ough to fall into the hands of the directors org. makes this supportion the more plausible

The rest this supposition the more plausible wit that within the last five or six months colored men have disappeared from the chood of the recent kidnapping, and were and of afterwards. Some time in Decem-a colored man, living at Mount Vernon, or county, directly on the line of this new und, turned up missing, and diligent in-his friends in every direction afforded no is whereabouts. Probably by this time he e cotton fields or rice swamps of South

e cotton hields or rice swamps of bonth in investigations now going on will soon is matter clear. In the meantime we can-remarking, that a more haugeling party of a and conductors, who have otherge of this ver anywhere existed, and they will event-scover that their stocks, rolling and other-the poorest investment ever made. Carry-engors on the underground from South to a san effence involving the agents in serious ificulty--very often and unwholessome vibra-ween heaven and earth-and the carrying darkey in the opposite direction is spit to he conductors to confinement within prison a period of from five to ten years on very . To embark in the business in silter di-is very unsafe, while the receipts seldom e investments.-Lancaster Express.

ry in 1715 .- The following are some sta-

the old colonial days. One hundred and years ago, in the reign of George the ascertained population of the Continental was as follows :

	White men.	Negro Blaves.
New Hampshire	9 500	150
Massachusetts.	• • • • • • • 94.000	2,000
Rhode Island	7 500	500
Connecticut		1 600 -
New York		4,000
New Jersey		1,500
Pannavivania		2 500
Maryland		9 600
Virginia		- 23,000
North Carolina,		3,700
South Carolina	6 250	10,500
Total		58,856

ND HUNTER, IN VIRGINIA .- The Richig says : "We have been not a little astonthe turn things have taken in several of ral districts in which Conventions have been held for the appointment of delegates ston. In three districts in the West-in

ling, the Kanawha, and the Harper's trict-delegates in favor of Hunter, for ency have been elècted to the Charleston n; while one district in the East, the as selected, delegates committed to the n of Wish."
