ARTHUR HUGHES, THE MILITARY BOARD AND THE ASSESSOR

he anniversary of the Sunday Beheols of the Second sformed Dutch Church. (Roy. Dr. Berg's,) Bevent eet, above Brown, was held in that edifice ventered.

THE MILITARY BOARD AND THE ASSESS. Some time since, the Military East of General Of-ficers of the First Division, P. M., composed of Gene. Patorson, Gaiwalader, Miles, and Reilly, issued a pub-lio notice to the assessors of the city of Philadelphia, requiring them to present their olsime for compones-tion. for making the milities another the assessors presented their illies another the second amount. I compliance with this notice, the assessors presented their illies to the board. The bills varied in amount. I compliance with this notice, the assessors presented their illies to the board. The bills varied in amount, from 20 up to 300 there being no escotified sum 5200 by the milities in wire the source of the military the right to pay the assessor present of the assessors given a few days ago. The opinion of the Attorney General active to the military burg the board in the attorney the right to the path the officers in double as to what he may all the right to the the source in the bills ware to the right to the military burg in the attorney General settles nothing, merely quotice the attorney General settles nothing, merely quotice the browsien of the kind to the military burg it will be allowed to which they desire the finant in store see, without the military burg in the present to manufer the attorney general settles nothing, merely quotice the attorney deneral settles nothing, merely quotice the attorney where key of the attorney formant to undene a rest, above Brown, was held in that addied yearsday alternoon. The mode of coaduoipy these anniversary exercises, introduced of list, has ready marcased their interest with the church going public; in fart, there are looked forward to with in one pleasure by both old and young than these nonual remions, if we may cell them such, of pastor and people, teachers and scholars. For the soccasion here referred to, there was erulgatif an unusual amount of preparation, and the aprented hour for commencies thefore theory of the the interest flowing. As quarter before three voided the Creins, the organizet of the churce, commenced flogring the august of the churce, commenced flogring the lowing, that instrument with his neukly refersional will, and the achools, rising, united in a distant, the singing being conjuncted by Alf. D. W.C. Moore, the singing being conjuncted by Alf. D. W.C. Moore, the

Making being consucted by Mr. D. W. C. Moore, the Bielent superintendent of the school. At the close of this. a prayer, brief and impressive, was offsred by Rev.
