of "frand" This was done. Judge Thompson could see nothing criminal in a man asking for his bill, and then threatening what he would do in case of non-payment, a d accordingly, he erdered the discharge of Mr. Dickey.

THE CASE OF ALLEGED HIGHWAY ROB-BERY.-Wo mentioned in The Press last week, that W: V. Davis, conductor of car No. 24; of the Fourth and Eighth (Germantown) line, was attacked of hiscar, at Fourth and George streets, by two unknown men, dragged off the platform and robbed of a silver watch and gold fob chain. It appears that Mr. Davis' former driver threatened and caused the assault. It is not supposed the men intended stealing the watch, but finding themselves in possession of it, they concluded to keep it. The

next day, seeing the matter noticed in the papers as a "Highway Robbery," and knowing the certainiv of their arrest on so serious a charge, they lost no time in returning the articles. On Friday Rovert Miller, Wm. Hance, and George Snyde were arreated for the "assault," and hearing will take place to-morrow before Alderma Cierk.

[From the Roch-stor Union and Allyeriter; May Si.] CLOSE OF NHE GENERAL ASSESSET. The O. S. Presbyterian General Assembly adjourned size are last evening, after a most harmouldow Stepion of nearly two weeks Mach important business was transacted; and it is said that in no.comp. has the solid of the Assembly produced the last ma-plessantness on the part of any member of that body. MILITARY VISITORS FROM NEW YORK. lompany A, Eleventh regiment, of New York, will arrive in this city this afternoon, about two o'clock ind be received by the Riffe battalion, First Bri gade, Msjor Ballior. They will remain here so veral days. The Zonaves of this elty will take The debates were characterized as much by a fraternal spirit and by the must perfect courtess on all occasions, as by the marked ability of many gentiomen who participated in them. The influ-ence which the Assembly will exert in these ra-apects will be neither evanescent nor restricted in its moore. part in the reception and entertainment of the

trangers. NEW RAILWAY TRACK ON MARKET STREET -To-day the West Philadelphia Company will commence laying a new double track down the centro of Market street, from Eighth to From street. They will put on a large force, and finish

apcois will be flot that these efforts were aminerily up the work with despatch. NEW STRAM FIRE ENGINE.-The work on the new steam fire engine of the Assistance Engine Company, now being built by Mr. Thomas B. Chapman, is fast progressing, and it is expected a trial will take place in a few days.

anocesful. There were many Southern gentlemen who came here anticipating anything else than a friendly reception, who return to their own home: with a higher appreciation of Northern hospitality and Northern character than they had hitherto estoristined. We could wish there were more frequent cesasion for this interminging of promi-nent men from opposing sections of this greet country. LEGAL INTELLIGENCE .--- UNITED STATES DISTRICT COURT-Judge Cadwalader .-- Albert W Green, one of the alleged rescuers of the slave Moses Honner, was put on trial. The evidence in the case is the same as that in the case of Jor mish Buck, who was convicted on Friday. The question is simply a question of identity.

The cars last night and this morning bore away rearly all the members of this large, agembly. A few will linger a day or two longer and then the last vestige of this body will have dissipated from among as May its recollections he pleasant and profitable to all. The built is large bound of the trigget is the is the defendtired, however, of his " guoirilized", life, a fayorable opportunity, and made, his New Maxico, where he 'remained some osing in the mining district all, his savings, h loved to St. Louis, where he found employment

dministered some camphor and other simple hings, believing from her fresh and healthy sp-earance (her eyes were closed) that she would re-

things, bolieving from her fresh and healthy up-pearance (her eyes were closed) that she would re-vire in a low minutes. Her pulse at this time was sixly; but in five or six minutes it fall to a lower point, and again down to ten; and then its enddenly censed. She lived, as it now appears, fifteen mi-nutes after Dr. Kellogy's arrival, and died as out-ely that it was difficult to tell whother ahe was dead or not. On Thursday Drs. Kellogy and Newton, of Suf-field, and Hamin, of Kest; drasby, made a post-mortem examination, and on opening the stomach, the presence of pressiv soid was at once innels manifest by its powerfal and penilar odor. The dootors unanimously decided that dwalk had been dootors unanimously decided that death had been baused by praisic sold, and also that this strong and usually instantaneous poisour that in this case been readered slower in its work by probable pro-

been rendered slower in it work by probable pro-tracted exposure to the air. Dr. Rising, of Suffield, subsequently confirmed the fact of the presence of prusice acid in the su-mach; and there can be no doubt, that Miss Work committed suicide. But for what reason, no mor-tal our say. 'Her inexplicable act has plunged her family and friends into the deepest distress, while the mysterious character of it has aroused the in-terest of the whole community where she lived.

ived for the persecutor of his mother aversion. One day, when he saw his r

band, he killed him. He was then obliged to fle from Germany to escape the law, and he came t America He went Westward, and one day whil
