WALRUT STREET TREATER. This day Nizon' emention trease will terminate its pipular per-formances here. Ela Zoyara, the six Hanlone, Oberiton Duverna, James Robinson, and others, will appear. There will be an afterneon as well as an evaluate performance. These of nestrians are worth seeing. Take evening, then, closes the present season of this theatre—the most profitable, in all respects, for the last twenty years. This mothese government" can do. Mrs. Giarretteon will have to pay for her success, for, we understand, her success, for, we understand, her success, the success of the success.

first-class city and country property. See Thomas & Sone' advertisements and pampalet satisforces, issued to day.

bard arrests. Harsh words were used on both below, when Hickians and his crowd rushed at Danh, who tarsed and ran. They purssed him we would not be the state of the forested humbers, they might be jure bim, tursed, drew this sword came, and stabled Hickman in the left side. Dinne promptly rarriendered humbers, total promptly rarriendered humbers to the officers, stated what he had done, but that he thought the wound was but a sweet one. He was allowed to depart and there is a writer one. He was allowed to depart and there is no controlled to the state of the first him and the state of the state o Garibaldi's Strong Mon.

Garabaldi's Strong Men.

A sharacteristic incident occurred at one of the sepast teelty besinences, which Garabald wished occupy to the in a command of position above alermo. He had a piece of mountain artillery, and mease to raise it. While he was at a stand, the base of the rough and almost perpendicular light, two contactins (countrymen) came up, and squired what was the curse of the delay. They are brothers, and possessed the characteristic with of the Sicilians, with even a superior degree the strength, scivity, and power of endurance the standard generally.

After a lawert consultation between themselves, so of them benthis manly frame down over the us, and embracing it, as one friend does another, than effort which might be compared with that Sameno, raised it to his broad shoulders, and it is a slow, but firm step, commence his way up a rocky path. His brother performed the same stration with the carriage of the gun; and both cosseded silently, but resolutely, up the rocks, held were so rough, and so, seep that few men, expt Sicilian mountaineers, would willingly atmospt to assend alobe.
