SATURDAY, JULY 7, 1860.

English Polifics and Polificians. The complaints, almost amounting to curses not loud but deep," which the humbugged British nation are now making against almerston, Russell, Gladstone, Bright, and the mere acho of the Commons, may reject, Co., clearly indicate one decided conviction- though they cannot alter, a bill imposing a videlicet, that John Bull has been terribly " sold" in the matter of the new Reform Bill. Strictly speaking, the blame should fail not so biank cartridges, mere smoke and noise, but much upon jaunty Palmerston and erudite, hairsplitting, casuistic Gladstone, as upon Lord journs, the whole dispute will quietly go to John Russell and John Bright. It is notorious that Palmerston, who long

It is notorious that Palmerston, who long held office under Spencer Percival, Lord LP ting of reform for the present year, Lord John verpool, and George Canning-each and all of Bussell and his friends have probably secured whom were much opposed to Parliamentary their continuance in office until at least the Reform-had no great liking at any time, for meeting of Parliament in January next. That Russell's Bill. His colleague, Mr. Gladstone, is, unless Palmerston, who is no chicken, die entered public life as a Peelito, and, as such, off before, and a squabble take place theremust have cared little for Reform-much mor to his taste are discussions upon scholastic divinity, finance, the Homeric mythology in anticipation of the mystery of Christianity, and Bull has been thoroughly jockeyed in the the best way, in his capacity of Finance Mithe best way, in his capacity of Finance Mi-nister, of screwing an increased revenue from the empty nockets of a tar-fider propio the empty pockets of a tax-ridden people.

Friends, should have turned tail upon Reform will astonish the multitude—but not those who

have watched the progress of events, and, be-From the second annual report of the president coming wise from experience, are well aware that the political promises of Demagogues are as certainly not to be redeemed as the "Kites" as certainly not to be redecemed as the "Kites" of social spendthritts. In the autumn and winter of 1858, and in the spring and summer of 1859, John Bright traversed England and Scotland a new Peter the Hermit striving to get up a popular crussed against any mensure for four of the social spendthritts and the library bas been given under its auspices; a weekly union prayer meeting has been sustained, and the library the been given under its auspices; a weekly union prayer meeting has been sustained, and the library the been given under its auspices; a weekly union prayer meeting has been sustained, and the library the been given under its auspices; a weekly union prayer meeting has been sustained. The Bible distri-

of Parliamentary Reform, which did not include an entirely new and extensive dis-tribution of seats, a great enlargement of include an entirely new and extensive dis-tribution of seats, a great enlargement of tribution of seats, a great enlargement of the suffrage, and a more frequent general election of members of Parliament. We will refused to accept the sacréd volume top any refused to accept the sacréd volume top any terms. Between four and fire thousand pages of not say that he was wrong, in principle—for it is a tremendous anomaly that Saford, with a population of choir 150 000 choird pages are also been distributed during the year. population of about 150,000, should only have of love.

MINISTREIAL EXODUS IN PURSUIT OF HEALTH. one member when such a scrubby borough one member when such a scrubby borough as Tavistock, with 8,000 inhabitants should have two-simply because Bedford is the pri-type property of Lord John Russell's elden. brother-Liverpool, Manchester, Bristol, Leods, Sheffield, Birmingham, and other great cities also returning only two members each. Bright's agitation, in favor of Parliamentary Reform, was got up, it now appears, chiefly to injure Disraell's Reform Bill of 1859, for the pupacious and ultra-radical Friend, once that the Strope is being finite his for the the two system prove beneficial. After system with prove beneficial. After seven years' service with the Second Unitarian Church, Brooklyn, the Rev. the Torics were out of, and the Whigs in office, became a second Bottom, gently roaring like Samuel Longfellow has dissolved his connection, and gone to Europe for health and recreation. any sucking dove, and whereas, he had started
