Bank., June 34.—It isstated that during the con-ference at Baden the Prince Regent of Prusia di-rected the attention of the august assembly to the state of affairs in Italy. The Prince Regent is said to have declared that the Sardinian. Govern-meat was already overrae by revolution, and that if ne httshiften wers paid to the farther course of events, all Karops might be threatened by revolu-tionary sgitation. It is also said that Baron Sohlel-uits has been ordered to draw up a circular note informing the diplomatic agents of Prussia abroad of what had passed at the interview at Badon. In this note perfusion will be made of the worde propounded: before Napoleon by the Prince Regent on the affairs of Italy.
