PREPARED GLUE.
SPALDING'S
PREPARED GLUE!
"A STITCH IN TIME SAVES NINE."
ECONOMY! SAVE THE PIECES! DISPATCH!
As emergencies will happen, even the well-regulated families, it is very desirable to have some cheap and convenient way for repairing Furniture, Toys, Crockery, &c.
SPALDING'S PREPARED GLUE
meets all such requirements, and no household can afford to be without it. It is always ready and up to the sticking point. There is no longer a necessity for limping chairs, crippled vessels, headless dolls, and broken ornaments. It is just the article for coach, shell, and other ornamental work, so popular with ladies of refinement and taste.
This admirable preparation is used cold, being chemically held in solution, and possessing all the valuable qualities of the best "glues-and-gums" ever. It is easy to use: the place of ordinary mucilage, being vastly more extensive.
"USEFUL IN EVERY HOUSE."
N. B. A brush accompanies each bottle.
