Reappearance of Edwin Forrest in New York. Reappearance of Edwin Forrest in New York. The New York Herchd, of yesterday, says: "For a long time the public have been most auxious to ascertain whether Mr. Edwin Forrest, the American tragedian, had quitted the stage for life, or whether he could be induced to give at least a series of farewell representations. The efforts of managers to obtain from Mt. Forrest some declara-tion of his intentions have been most auremitting, and have at last been crowned with guoces. Mr. Nixon, of Niblo's Garden, who has been engaged in many remarkably supposed it theatrial enter-prises, has at length been enabled to effect an en-gagement, and Mr. Forrest, almost the only living representative of tragedy; and by far the best-on the American stage, will make his flat appearance, since his retirement, at Niblo's Garden, on the 17th of September next, supported by a carefully selected and fully competent fore ways ago and be gave after. Hult time, we believe, only a few fare-well representations is the provinces. His engage-ment with Mr. Nixon is for the term of six months, and he will play, not only at New York, but also at the Broadersy the carding all of his original, and, we inderstand, one or two new obstracters. It is not stated whother this is to be Mr. Forrest's farewall engagement, but the probabilities are that for kere with more the starts and the starts farewall engagement, but the probabilities are that farewall engagement, but the probabilities are that farewall engagement, but the probabilities are that Jeuel, New York R B prow J Buel, New York R B prow B Leonstil Curineston, 8C F H bags and D Fbyruzz & W.
