A want of vigor in the dignative orzane causes an immense amount of discomfort, both in body and mind. ORE PREPARATION, AND ONE ONLY, reaches the cause and the consequences of this discom-fort. To give strength to the weakened stomach, to caim the agitated nerves, and to restore that regularity of action in all the orrans which constitute e perfec-health, and tend to scours a long and painless life, there is no medicine now before the world which will com-pare with HOSTETTER'S STOMACH BI TERS.
