Much of what Gerahld Massey has written is onstitled to range under the head of Poetry of the Affections. "The Ballad of Babe Christa- bel 'b belongs to this class. It describes the birth, the montal development, and the death of a beloved child. The birth: And when the Morn with frolic sest Lookt through the curtains of the night. A tenderer life the mother prest! All bliss to make the brain reel wild ! The Barn new-kindled in the dark- Life that had fluttered like a lark- Life that had fluttered like a lark- Life that had fluttered like a lark- Life the nesting beart more of eas and close- Her rose-bud riponing to a Rose. That she should one day see full blown ! How had she triber barst ill blown ! How had ahe throbbed with hoppes and class- And strained her inner eyes till dim. To zee the coming glorf swim Through the rich bard starty soul Was crusht for her in one rich oup ! And smilled at Sorrow's darkest dole: And now Delight's most dainty soul Was crusht for her in one rich oup ! And dening fingers-hesing mouth- Being faint with joy, the Mother slept. Then, how exquisitely beautifuit the descrip- tion of the Babe's montal growth, oven while Decay had commenced its inroads upon its idelicate frame : A spirit-look was in her face. That shadowed a miracutous range Of meanings, ever ruch and strange, O' rightened glory in the place. |
