Senator Douglas on Juleps.

Senator. Dongias on Juleys. In his speech at Fevereberg, Va., Taeaday night, Judge Dongias, gave, the following historical ac-count of the 'discovery' of juleys: About the year 1776, a must by the name of the horize layer of the same of the following historical ac-count of the 'discovery' of juleys: About the year 1776, a must by the name of the horize layer of the same of the following historical description of the 'discovery' of juleys: Friday and magneted to him that as peace that a start time be declared between Great of the second start of the second between Great Friday and the colonies, it would be well for us to be in possestion of the Worth west iteritory-that which is now Ohio, Indians, Illinoia, Allohi Fen, and Wiscousin-so that when the commis-fower cains to negotiate the theat' of peace, we might set on the well-known trimside of us pos-redet's each perty holding. all they had in posse-ing the constription of the Worthwest, conquer the country, and hold it until the treaty of peace, when we would become possessed of it. The Go-werner consenside, and sont him across the mean-tage of the time of the the of the the source with down the Oho river on rafts to the failer where Louisville on the the believe Skynwectown, in illinois. Here identical took is the the believe first and footed down to the the believe Skynwectown, in Illinois. Here they took in their march accus Souted down to the Ballman just below Skawneetow, in Illinois. Here they book up their march serous for country to: Kaskakis, where there were a namber of French who had formed a sattlement there, and by means of a gaids they reached the Organ river, and enclamped near Feter Mernd's house, some little distance from the town. You slaves.

beine some little distance from the town. You notice, some little distance from the town. You leaghter and applement with the locality. (Laughter and applementing the source of the source night, and early the marking morning Charke got his little army emigone with applies, no miler, and no stores, and by this time began to look ragged and wrethyde smosthy, and took up his line of march bit, the little French, town of Kaskaskia. It was dummer, and a very hold aly, and as he entered the town he eaw the Frenchman belonging to it fitting, quistly on the little verminals in front of that kones, such the little verminals in front of that kones, such the little verminals in front of the her rashed on them, stying, "Guirender, you "unkers", you?" (Freat laughter: The Franch-man surrendyred, and from that day to this Illi-inelans have been 'in snown as "Suckers." [Re-"hered langhter.] 'i

neural invo cosh i nevri an Ousers." [Re-hwed interfator.] "That was the origin of car, dognomen, and when theorys Rogers Clarke retained to Virginia, he in-trodised the jaleps here. [Langthir.] Now, I want to give Virginiane fair solice that, when they wasii to give Virginians fair miles that, when they claim the homor of a Jefferson, of a Madison, of a Marshall, of a Wythe, of a George Masson, and, of a primy other distinguished barre Masson, and, of a primy other distinguished barre a solution of the the world wrst case, we yield; whist you claim the given you schewed to the field of battle, we yield; when you other each for the compion of the Routh many distinguished we yield; when you claim the given of never having polled a vote against the Dismocratic party, we yield; when you claim the prover of the mint juice, hands of; fillnois what that. (Shouts of langther and applants.) "The above carract, showing, not only the remains the score which is knowledge of Judge

remarkable geographical knowledge of Judge Douglas; but his versatility in the illustrations of his great doctrine, is erroneous in a single

particular, and that is that Illinois is entitled to the glory of the discovery how to construct a julep. That great Democrat, John Milton some two hundred years ago, in his magnificent poem of Comus, speaks of the julep in the following glowing terms :

And first behold this cordial julip here. They findee and danses in his crystil bounds, With spirits of balm and fingerant syrup min' Not that supenthe which his wife of Thine, in Figure, gave to Jove-born Holens. Is of such power to stir up joy as this, To life so triandly, or so goot to thirst. Public Amusements.

superiority of its non-slaveholding population Mise Caroline Hichinge' Concert takes place at Masteri Fund Hall, this evening. "Out hard times, come again, no more." The piece was encored. Yankes Doodle, was repeated to dumb bell moto The exercises ware concluded by an original ad-dress. Then came the aution, at which fancy ar-loss were disposed of at charity prices. A bead basket, from little "Bensie," a dead child, was sold to Mr. Groster, of Dpland, for g5. Various other articles brought \$2 50 and \$2. The chil-dren frequently bid upon these articles themselves; they sitcles articles brought \$2 for with them. At evening the exercises were repeated, and a magie issutern exhibition added. The lay will be long remembered as an occasion of pleasure and interset.

THE DELAWARE TERMINUS OF THE PENN-THE DELAWARE TERMINUS OF THE PENN-SULVARIA RAILBOAD.—The work of preparing the foundation: for the Pennsylvania Railroad bridge ecross the Schnylkill river, abore Gray's Forry, is progressing quite rapidly, the piles for the western abatment having all been driven, and a coller-dam is now being constructed, so as to prepare for the saving of the piles off below low-water mark. The piles for the first piler out her wastern eide of the river have also been driven, and proparations are now being made to have them cut off near the surface of the mud at the bottom. Upon these piles is fixed a heavy and substantial capping of timber, to which is surpended, by means of long wrought-from being larger than the greatest width and length of the pier to be built. Upon this platform is laid the sione for the pire, abore the water level, and as every two or three courses are laid, the platform is lowerdd by means of the suppending sprays, co that the top of the masonry only is abore water, men the stone work is again proceeded with in the same manner, until finally the platform result upon the piles per-manothy prepared to receive it. By this mode of proceeding, the ensuity of constructing a coffer-dam is entirely avoided, and therefore the cost of the econstruction of the plars much reduced. The only work being done on the east alde of the river is the construction of the wharf REPUBLICAY MERTING AY HERSTONVILLE, THE DELAWARE TERMINUS OF THE PENN-

FORMATION OF A YOUNG MEN'S DOUGLAS

The PONOLOGICAL SOUTEY - The discus-sion and exhibition of the American Pomological Solety came to a close yesterday evening The sersion has been conducted with the usual harmory and success, and the interests of practical pomolo-gy were subserved and forwarded. President Wilder, Scoretary Field, and others, made speeches last night. The places of the ensuing meeting was appointed at Boston in 1862. Sr. LUKE'S M. E CHUROH, --This congre-gation will hear ~ locture this evening, by Dr. James Bryas, at the hall of the depot of the Se-cond and Third strests Ballway. A large attend-ance is expected to be present, as Dr. Bryan makes his first public appearance since his return frem, New York. His subject is "A Visit to Italy," which will be narrated in his characteristic humo-rous and familiar yein.

FORMATION OF A YOUNG MRN'S DOUGLAS CAMPAIGN CLUB.-Last evening, after the conclu-sion of Gen. Davis' speech at the Dougles Head-quarters, Fifth and Obestunt streets, an adjourned meeting of young men was held, for the purpose of completing the organization of a campaign club, the committee appointed at a previous evening reported a short constitution, naming the organi-zation the Young Men's Dougles (Jampaign Club, and pledging the members to the support of Dou-glas and Johnson for President and Vice Presi-dent. The following gentlemen were elected per-manent officers of the club: Presidents-Henry A. Gildes, Bimon W. Arneld, J. H. Finkim, Barnuel Calboun, George Kelly, Corresponding Beoretary, Henry A. Wilson. Recording Beore-fasty, Obsiles Roney. Marshal, Thomas H. Mars-tog. The president, on taking the obsir, made a short address, thanking the club for the honor done him, and declaring his intenito to oppose any fusion with Disunciation Scenessionits; and fur-ther, to support the straight-out Dougles electoral trakets. This was greeted with great applayse.
