report reviewing the entire field of labor, the on- couragements and discouragements, and speaking in the most duttering terms of the augmented effi- clemy of this Synod in the spread of the Gospel, by the erection of churches, the organisation of new charges, the founding of Sunday-schools and other-agencies. The report states that the mem- bership of the congregation is annually largely on the increase, and that Synod has abundant cause heartily to rejoice in the many proofs of the Di- vice blessing vouchsafed to the churches connected with it.
