Curtin; A Don gias fong FOURTH PAGE.--Capture of a Slave Ship on the Coast of Atrica; General News; The Republican Demonstration in New York on Wednesday Night; Marine Intelligence.

The News. There are further advices from Europe by the Connaught, in addition to those published yester-day. A conflict between the troops of Garibaldi

and the King of Naples was apprehended. The which are dear to the heart of every true King was at Capus, barriesded and armed, in evi-dent expectation of an assault. The minister of citizen. We are reminded, too, how rapidly the ark of the Republic is drifting France was about to guit Naples. The rumers of the difficulty between Garibaldi and Count Cavour | away from all the wise and potent persona were confirmed. Garibaldi, it is said, has written influences which gave it shape and form, and a letter declaring them to be irreconcileable. It was further reported that the quarrel between the that none of the first, and few of the second, generation of American statesmen are left to Mardinian Government and Garibaldi has arrived advise or direct its movements through the at such a pitch that King Victor Emmanuel has beisterous ocean of political excitement upon determined to proceed to Naples, to obtain a per-sonal intercourse with Garibaldi. ## GRAND TORCH-LIGHT PROCESSION. Germantown was the scene yesterday of another

of those tremendous displays devised by the People's party, and perfected with the usual energy of its leaders in Pennsylvania. Although far inferior, numerically, to the demonstrations of Chadd's Ford and Lanoaster, it made up in enthusiasm and general effect, being pronounced the finest political display ever held in that anoient

borongh. The rain fell continuously during the afternoon and the atmosphere was sultry and close. Notwithstanding these unfavorable characteristics, the

field in which the speaking came off was crowded with people. Speeches were delivered simulta-neously at four stands, and, in honor of the Revo-Intionary leaders at Germantown, each stand wa dignified with the name of a general. The following were the names of the stands, and of the presiding officers at each :

Washington (main) stand--Arohibald McIntyre, esident

Mr. BROWN remained with Mr. LINCOLN about two weeks. and had an opportunity not only to know the man, but to make such a picture as will do credit alike to the artist and the subject. On Wednesday last Mr. READ submitted this fine production to a number of gentlemen connected with the newspaper press, and by one and

all it was pronounced a master-piece. It is painted on ivory, and is said, by those who know Mr. LINCOLN, to be life like. Oertain it is, the face is not the hideous caricature hawked about our streets, and hung in our print shops. It is that of an amiable yet tion at the Academy of Fine Arts in this gence and firmness. Mr. BROWN has done his best, and may be assured that it will add still and in 1839 published a small volume called more to his high reputation. A beautiful copy of this miniature has been made by Mr. SAMUEL SARTAIN, SOE of the well known engraver of this city. from the steel plate of which impressions for sale and distribution will shortly be taken. The original miniature remains in the possession of Mr. READ, to

whom it belongs.

A Screw Loose with Garıbaldı. The King of Naples, it appears by late news received per the steamer Connaught, did not fly to Spain, as was reported, but went to gerously ill, and at about half past six o'clock Capua, a strongly fortified town, midway between Naples and Gaeta. GABIBALDI had marched with troops to give him battle. The

Have the honor to be, my Lord, Your most obedient serv ent cervants. ALEXANDER HENEY, JAVES DUNDAS, WILLIAM B. KEEP, And others.

reedom was born with the people and would triumph.

And others. PITTEDURG, October 2, 1860. GANTLEMEN: I had the honor, upon my arrival hero last night, to receive your letter of the 25th of last month, requesting me to convey to Lord Ren-frew an Invitation to be your guest at a nusical entortaioment, to be given at the Academy of Mu-sic, on the evening of the 10th inst. Lord Renfrew has the greatest pleasure in ac-cepting this traip courtoous invitation. He re-grets extremely that his visit to Philadelphia is necessarily limited to a space of time wholly in-adequate to the interest and importance of that great city. He is, however, on this account, the more semible of the real hoghitality and genuine kindness with which you have acquiesed in his desire to pass the few hours at his disposal among you as a privato gentleman, without ceremony or formsity. I have the honor to be, gentlemen, with great regards, your most obedicat, humble servant, To the Mon. Alexander Henry, Esq., James
