New Jersey Legislature. TRENTON, Jan. 8 — The Legislature met to-day. In the House the members were sworn in, and then adjourned to meet to merrow, without electing of-ficers. The Democrats and Americans have a ma-jority; but there is some difficulty in arranging a division of the officers. To the Senate there was some excitement. The Republicans had a majority of one, and yet the Democrats elected all their officers. This was done by the Republican Senator of Burlington county voting with the Democrats. One of the reasons al-leged is that a brother-in-law of the Senator was elected secretary of the Senate. The officers elect-ed were: Edward Perry, of Hunterdon, president; Joseph J Sleeper, of Burlington, secretary. and B K. McClug, of Mercer, assistant secretary.
