GYER EXCITNMENT, and the mental care and snr-lety incident to close attention to business or study, are among the numerous causes of Norvous Headache. The disordered state of mind and body incident to this dis-tressing complaint, is a fatal how to all energy and am-bition. Sufferers by this disorder can always obtain speedy relief from these distressing attacks by using one of the Cephallo Pills whenever the symptoms ap-pear. It quiets the overtasked brain, and souther the strained and jarring nerves, and rolaxes the tension of the stomach which always accompanies and aggravates the disordered condition of the brain. Leave District and the Main and the Main and Albert and

"Disolve the Union! Ho! Forbear! The sword of Damoelas is there; Cut but shir, and ostih shall know Adsiker, deadlist tie of woe Than history's orimen tale bas old three Nero's car in blood was rolled.

PROF. Wood's RESTORATIVE CORDIAL.-It is recorded in the Classics that Psyche was once sent to a climato warmor than the West Indias, to produce asample of the beauty of Proservine in a box. After some delsy the messenger returned, and as soon as the single of the product of the sent sector of the box res returned, and as soon at the single of the product of the sector of the box. Prof. WOD'S Restorative Cordisl revives the recollection of the story, for it invigorates the blocd, aids the organs of digestion, imperiestrength to the nervous system, and fortilies the estadiof bealth. So as to bid deflance to the assaults of digester is a deflation tone, and while it is excluderating as pine wine, no la-jurnous results can possibly follow is use. It is a defl-tioned while here any sprite, propriate of the sector here on aspective provide anticipation of the finited with loss of appetite, propriation of the frant, so, with find here an infailible produced.-St. Lowis Daily Errest.

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR HS, without doubt, the best tonic Cordinal in the world. To those who are suffering from General Debility we would recommend its use, for it is plea-sant to the tasle, is strengthening to the system, and will at onde tend to remove all impurities of the blood and eradicate all increased is used. If out the blood is and eradicate all increased is and the blood in the state, is a strengthening to the system, and will be all the strengthening to the system of the blood is a strengthening to the system of the increased is a strengthening to the system of the increased is a strengthening to the system of the increased is a strengthening to the system of the increased is a strengthening to the system of the increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system increased is a strengthening to the system of the system of the system increased is a strengthening to the system of the system of the system increased is a strengthening to the system of the system of the system increased is a strengthening to the system of t
