sionists. RECEPTION IN PHILADELPHIA.

At seven o'clock yesterday morning the Boards f Trade of Chicago and Milwaukee arrived in this ity. They came by way of Pittsburg via Fort Wayne and the Pennsylvania Central Railroad. They comprise one hundred and twenty gentle-

transferring grain bags from car to car would not be needed at Pittaburg.

I call your attention, genitemen and merchants, to the importance of this measure. It should be done; we wish a market here as well as at New York and Montreal. I have detained you probably too long, but I know of no better time and ocasion to advert to this importance that the defence would be merce, was then introduced. He said:

Mr. Hill, of the Milwaukee Chamber of Commonwealth's Mr. Hill, of the Milwaukee Whamber of Commonwealth's Mr. President and Gentlemen: The remarks of Mr. Mun come home to us of Milwaukee with the same force that they have interested him and you.

I will not go into the same details. A single house it on New York, in bags, at a cast of 29 cents per bushel. That, in addition to the cost of bags, makes the expense very great. These matters porhaps can be talked of. I beg to recturn our sincer thanks for this cordial reception, and to the Pennsylvania Raliroad for their kindness in passing us over their line of road.

Mr. Budd, of Philadelphia, stated that the Corn Rechange and the Beard of Trade had considered the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain transhipment, and it had cocarpide the subject of grain tra
