electors went home full of admiration at the saucy pluck of their opponent,--half-resolved Cabinet. At the close of last Session, how ever, when they saw that he had wilfully to give him another trial. Unless of his own widened the breach between crafty Palmerston free will, he cannot be ousted from Streud, and himself, their doubts became aggravated except at a regular election. into anger-they had begun to feel the want

of Government appointments-and they held an indignation meeting, at which they called Two Great Unions instead of Onc. [For The Press.] Throughout our country men are rapidly upon him to resign his seat. Mr. Horsman politely declared that Resignation, albeit a moral, was not a political virtue, and that he reaching the settled conclusion that no com-

promise can be made giving a peaceful solu-tion to the vital question--the North and the South. In view of this fact, the following had no ides of practising it. He promised, however, ere the commencement of the next Parliamentary Session, to visit Strond, and,

however, ere the commencement of the next Parliamentary Session, to visit Strond, and, at a public meeting of his constituents, give an account of his stowardship. He fulfilled this promise on Thursday, Janu-ary 8d, and the Times reports the proceedinge ary 8d, and the Times reports the proceedings

He told a large and turbulent assembly of electors and non-electors, that he had been condemned on two grounds, namely : that, by his speeches on questions of foreign policy he had taken a course very strongly at variance

with the principles and objects of the Society of Friends, and that he had been much too unministerial in his votes and speeches. He

Could any fact so clearly prove the wisdom of our forefathers, 75 years since, or our own folly now, in the hopeless want of forbearance 7 At the North, we avowedly love the Con-stitution—let us have it with the word it worthern." At the South, Carolina has already adopted the Constitution as it stands, and other States are following the example; It them have it with the word is southern." I may send you a few more words in sup-port of such peaceful separation, and a few on the basis of a treaty arrangement between the

the hasis of a treaty arrangement between the verpool. It could searcely be more worthily two Unions. PAX.

Will some now coase out -i.e. and Now, I'll sing of the spirit from Erin that came Full two conturies ago, and is still just the same, &o., &o.

-The national standard was raised upon the State House at Indianapolis, (Ind.) on the 22d, amid great enthusiasm. Hon. H. S. Lane, ex-Governor and Senator elect, made a stirring Union speech upon the occasion. So did Gov. Morton, Hon. T. A. Hendricks, and ex-Goy. Hammond.

a bould promptly voluncer to undertake a portion of Sunday-school work.
Barnum, with characteristic sagacity and energy, has determined to follow the general rush up-townward, and establish a branch of his museum in a locality more easily accessible than the present one, which, curionsly enough, is at that particular point where more omnibuses, more carts, more carriages, and more people meet than any other on Mahattan island, to say nothing of its being the terminus of all four of our city railways. Phincas T. B. is making less noise through the papers than when he was exploiting Jenny Lind, but I reckon he's bagging quite as much money. The theatrical critics and habituts of the Winter Garden enjoyed a sonsation last night in the first appearance of Mr. Charles Dillon, an English actor, who appeared as Belphezar. I assisted at the performance, and have rarely witnessed anything more truly cxcellent. Coming unheralded, unpnfied, unknown, and making an entree on the storm es his fessor of Constitutional Law in the University of Virginia, has resigned his position in that institu-

the season, his success was the more marked.

He took the newspaper men by storm, as his merit entitled him to do, and he is sure to create troops of admirers wherever he may go. HURON.

CHANGE IN THE PROPRIETORSHIP OF THE NEW YORK EVENING POST-ME. C. F. BRIGGS TO HAVE THE LIVERPOOL CONSULATE - MOVE-MENTS FOR GARRISONING THE FORTS IN NEW YORK HARBOR-POLITICAL INCIDENTS AT THE THEATRES-FORREST AND BOOTH.

NEW YORK, January 26, 1861.

the express purpose of so altering the Constitu-tion (if they see fil) as to provide for the peaceful separation of the whole country into two great Unions-the one comprising the free, the other the slave States. If we could not legislate together peace-fully prior to the November election, what hope is there othat any temporary truce shall long prevent another outbreak? Let us meet the fadical difficulty at once. Any one ex-amining the Constitution will be struck with the fact that ne other alteration will be needed to form two great Unions, than to give our present Constitution to the one, with the word "Northern" prefixed to the words "United States," wherever they occur, and Could any fact so clearly prove the wisdom of our forefathers, 75 years since, or our own

INCONVENIENCE OF SECESSION. The New Orleans Delta of the 17th says: "Wo rogret to learn that the Federal collector at Mobile has resigned his office. This will be a serious inconveniences to the commerce of that city. There will be no authority to issue clearances; at least for American bottoms, and we are in the very imidst of the cotton season. It was a short-sighted act in the people to desire this resignation; and in the collector to yield to such a desire. Our Fede-ral officers should romain in office until they are su-porceded by the State appointments We must avoid any act that would cripple or impede our commerce." GENERAL D. H. TWIGGS. Intences the section and the sector resign their seals, in order that the PROTE may have an opportunity to adjust the difficulty, and they we dream their places. Resolved. Then we dream their places. Collision between the mittary forces of the General forerenment and the States, bolleving that a panceable arrangement of the States, bolleving that a panceable arrangement of the States. Dolleving that a panceable arrangement for the states bolleving that a panceable of reconciliation between the different portions of the GENERAL D. M. TWIGGS. The Augusta (Geo.) Livening Despatch, of the 18th, says: "This brave and guilant officer has de-clared his purposes to adhere to the State of Geor-gia, and will resign his position in the present army whenever the State shall seeded. Should Butcher Scott and his myrmidoms attempt to force us to submit to Federal depotism at the point of the bayonet, the long experience and military know-ledge of Gen. Twiggs will pre eminently entitle him to the command of the Southern army." COMMODER LAWRENCE KEARNER. The Charleston Mercury of the 22d says: "As -With the new year the officers of the Sing Sing

of reconciliation between the different portions of the OUDHIY. Resoluted. That, after all fair and homorable means have been archausted without effecting the desired ob-ject so ardently cherished by all Union-lowing citizens, we as workingmon, will sustain the Federal Govern-ment in all just and legal measures to enforce the laws of our land and nation. Resolved. That this meeting authorize the Committee of Arringements to appoint two delogates from each Congressional district in this city, to meetin convestion in Philadelphis, on the 324 of February, 1861, as recom-mended by the mechanics and workingmen of Louis-ville. Kentoky. Prison have instituted a new mode of punishment, called the Japanese Comb. The hair on both sides of the head is closely oropped and a sort of comb is left standing. -John Morrow, an old oitizen of Wilmington, Del., died suddenly last Saturday. -The Hon. James P. Holcombe, LL. D., Pro-

tion, and announced himself a candidate for the State Convention. -The Concord (N. H) Patriot says it is not true that ex-President Pierce has sold out all his bank stocks, and all his stocks of every de-scription, and converted the proceeds into specie,

of Arrangements to appoint two delegates from each of Arrangements to appoint two delegates from each of Arrangements to appoint two delegates from each of mended by the mechanics and workingmen of Louis "ville, Restrort,". The Charleston Moreary of the 22d says: "As some reports have been circulated concerning a withdrawal of the resignation of this veteran offi-ter, we beg attention to the following extract from the converse and Representatives in the Legislature of Pennarivania. I The resolutions were several in the corowd in front and on the platform who objected to the last of the series, and dem anded a recount. This, howover, passed away, and the speaking was pro-coeded with. Mr. Austin was introduced. He thought these
