beside to the diddles of an uncalculating and weakly-releating humanity. I confess that upon this sabject there is a chasm between us, so broad and so deep, that I have not the hardihood to attempt to fill it up. I cannot hope even that anything will ever occur to reduce the hardihood to improve the sub-the subhe breadth of this impassable gulf to smaller di-

in first moment of its existence to the present day, as an event in which "all friends of America-all friends of the human race-must heartily re-jorce" If your iordship should happen to re-member that, during brief intervals in the history of the Republic, parties known by other names have obtained a temporary ascendency, I need Soarcely remind you that these wore but branches of that great organization which has just been de-feated, divided as it was into three parties, each claiming that it adhered most closely to the dis-tinctive principles of the old Democratic party. All of these, therefore, go to swell the racks of those whom your lordship declares, an effect to be the enemies of America and of the human race.

This is a most harsh judgment, most harshly enunciated—to say nothing of its implied con-domnation of the statesmen and citizeus who have

"true friend of America," as any British noble-man, however high his rank, or however exalted his endowments as a British statesman. This consideration emboldens me to declare, in my right as an American born citisen, and as the representative of a sentiment held in common by millions of my fellow-countrymen, that it is not *I*, nor they, who are the enemies of America. If it must be that one or the other of us, my lord, is an enemy of the Republic, it is you, who from your high and noble rank disdain not to stoop to a fel-lowship with the openly-arowed friends and fol-lowers of a sassing! It is you, who by acknow-ledging yourself to be honored by an invitation to participate in demonstrations of respect for one of the foulest murderers whose deceds have found a place in the records of orime, place the lighted the lotiest murderers whose deca have isolat a place in the records of arine, place the lighted torch and the dagger in the hands of the incra-diary! It is yon, who from your asfe retreat may laugh to secon the horrors of the centest that thus kindles the flames of a fratrioidal war in a distant land, and all in the prostituted name of huma-nics.

nity. There are many who do not rejoics over the event which has filled your lordship with so much satisfaction. These mourn over a result which places in imminent peril one of the noblest-par-don me if with the old pride of an American I say the noblest fabrie of a Government that has aver been construe ad hy human intelligence.

ever been constructed by human intelligence. You delude yourself, my lord, if you believe that all "friends of America." and of the "human and "human providence of the up the cost that all "friends of America." and of the "human race" share your sentiments of joy upon the cosa-sion you celebrate. Millions of the downtrodden end the oppressed of other climes now mourn over the peril which menaces the overthrow of "the great Republic," without knowing, or caring to comprehend, the domestic questions which have produced the danger. During eighty-five, years, it has been a beacon of hope to the weary and heavy laden, and shoull its brightness be quenched by that dark and clouded night; npon whose gloomy and fiful shadows we may even at this mo-
