there were thousands who either accepted the | to the heresy of Secession, we need something humiliating alternative or fled for safety into more than the account sent over the wire more loyal States. Hundreds placed the Se- | from Harrisburg to convince us that he would cession cockade on the breast, because a re- take command under the gallant Colonel Asfusal might have brought the knife to the DERSON. heart, or the pistol to the head. The reign of terror was complete, and its sceptre was acknowledged by all classes, from the Governor down to the town constable. The newspape

press actually surrendered, and either obeyed its commands or adopted a system of silence Maryland is not the only place in the world

where terror may rule. Unless the strong hand of law and order is applied, it is as apt to visit one section as another. Fanics are easily created. A dozen men might go into Chestnut street at noon-day and terrify onehalf of the people with a story about an invading army investing Fort Delaware, or Fort quarter. Why it should have produced in Harris Mifflin, and it the affair was ingeniously barg, in the language of the despatch, "a gratifymanaged we would have hundreds under arms ing sensation," I cannot conceive. before evening, and on the way to resist the invader. We might publish in this morning's ionrnal a statement that a detachment of traitors had undermined Independence Hall, with the intention of blowing it up, and it would take a very large police force to keep the Gov. Magoffin, acting unquestionably under his crowd which would certainly collect to apprehend the miscreants, or muse over the erous complicity with the Disunionists in smouldering walls of our temple of freedom. Kentucky, as to induce the general appresmouldering walls of our temple of freedom. The people of one-half of the Southern States have been driven into revolution by stories as absurd as these which we have used in illustration. There are thousands of people to-day in Georgia, Alabama, and Mississippi who love the Union as fervently as they did intimates in Washington have always been among six months ago, and yet these people tram- those who sympathized with and assisted the Se ple our flag because they think it is the em- cession movement, and until this extraordinary blem of their subjugation, and retire every night with the fearful anticipation of having to encounter, at an early hour in the morning, Mr. LINCOLN and Mr. SEWARD at the head of an army of negro desperadoes and thieves. Here is an illustration in point : A Rich- before us, I am constrained to regard such an ac mond newspaper-and for scurrility, bad cession as an inconceivable calamity. Either Mr. English, and falsehood commend us to the Breekinridge and those who agree with him have newspapers of Richmond-publishes a para- been acting falsely, or they have not. If they graph purporting to come from " The Democrat, of West Chester, Pennsylvania," to the effect that military companies were being formed in that town, to invade the South, and that heir banners were to be inseribed with the watchword, "Booty and Beauty." Then we have an impassioned appeal to the men of among the Union men, and from taking advantage the Senth to fly to arms, march on Washingten, and disperse the Administration which raises its armies by such a "hellish suggestion !" There is no such newspaper printed in West Chester as " The Democrat." We have traced this paragraph in nearly all for the Government as it is? Our danger is more the newsnapers from Virginia to Texas, and it | imminent than ever, now that just such men as is but a specimen of the stories which are in. | Mr. Breckinridge express their willingness to unit vented to madden and mislead the people of against those with whom they have been so confi the South.

The remedy which has been applied to be applied to the other States who have been men, and denounce the complacency of his conde terrified into acts of treason. The leaders must be overpowered, as they have been in der Colonel Robert Anderson. Can it be possible Maryland. Terror must be banished, as it that Colonel Anderson was deceived? Did he not know that in all the operations to take place herehas been from Maryland. The people must be assured of safety. Their fears must be after the war must be upon the South, upon the very men with whom Breckinridge has been associappeased, their industry protected, and commerce permitted to seek its natural channels. If we had permitted the mob to 'control that State, we do not think there would now be a dishoncring compromise; for, if men like Breck-BRTLER OF General CADWALADER entered New Orleans to-morrow, planted a battery on the levee, encamped five thousand troops on Canal street, and issued a proclamation similar to that published in Baltimore last Monday, the American flag would float from tion on their own terms.
