The Boston Darly Advertiser, in a late notice of this work (May 31.) says: "The great variety of questions of maritime law now arising, and likely to arge, creates a general desire, both amone lawyers and huminess meal, to find some practical and solentific discussion of these topics. We think that soon will be found in Professor Parsons' standard treature on Maritime Law, sublaned by fittle, Brown, & Co. We may name among the important subjects tonshed upon in this work, the topics of BLOCK-ADES, and how far it suspects discort and contrasts of affreightment, convor, contrastant, captures, bud the risk in insurance, free plane and solvage, loss by PIRATES, lutiadiction in PRIZE GASES, Irright in cases of prize, and the warranty or neutrality in insurance. In all matters where mercanile law is affected by the present atake of affairs, we think that this well known work will be found to meet the wants of the public at this time." The quantity sent from the Schuvikill and Lehigh regions this week shows a decline, while from all the other principal regions there is an increase over the corresponding week last year. this week. Eastward freights still continue very low. The following is the statement of the imports of foreign dry goods at the port of New York, for the week, and since January 1, compared with the same periods in 1859 and 1860 ;

It is likewise stated it can be produced cheaper John Van L	ine, New York James & Lovering, N H	Ponus ivana.		PENING OF THE ARCH-STREET	Families, Confectioners, &c., supplied at moderate	261 and 263 WATER Street, NEW YORK.	(Eriosson Line,)
