has usually the privilege of selecting his master, but here are we, the people of a sovereign State, sold without having a voice in the choice of a master. By the same bill three thousand officers were created and distributed over the State to overawe and intimidate the Union vetes. Thus dominesred, hectored, and browbeaten, a large proportion of Union men were kept from the polis; yet, with all this, over thirty counties in East Tennessee, where we had an opportunity to canvass, gave a mejority of from 20 to 25,000 against secession. My own county gave a majority of 2,007 against it. We of East Tennessee are resolved still to stand by the State and the Union. If an earthquake or a tornade should sweep the other portion of the State and the Union. If an earthquake or a tornade should the same result be obtained by any other cause. All that we sak is that there shall be no invasion from the South, or from other portions of the State. We sak that we may have means to defend ourselves, under that clause of the Constitution which provides that every sitizen shall have the right to keep and bear arms. We have asked the Governor for our fair proportion of those arms which were distributed for the protection of the State, and have been answered that we shall have them, provided we will form into companies and brigades, to be transferred to Jeff. Davis and the Southern Confederacy. We will form no such companies; we will receive no arms on these conditions. We will appeal to the General Government for aid, and being provided with arms, we will protect and defend our homes, our firesides, and our Government from all invasion. We have been taunted—told that we were traitor—that the hemp was growing for us—that the day of our execution was fixed. We have stood all this, and more, face to face, toe to toe, and answered that the constitution defines treasen to be adhering to the enemies of the United States, and giving them aid and comfort; and we have told them that the time will come when the judiciary will dare to decid	Bmall, wiry, active as squirrels, brown as Malays, and full of aqua-fortis; they are certainly the most dangerous looking set of individuals who have yet been brought into the field.
