face, but not fatally For this he received a sentence of two years in addition to his former sen tence. Shorlly after he became penitent and was taken \$1,500 on this bank, all of which were stamped "connectivit." They are by far the most dangerous counterfeits that have recently been put in circulation. Mest of these bills were received without suspicion, and meases of doubt, sorupies were generally dispelled by the manner in which they were put in circula-tion. Thus in a package of a hundred dollars or more the bills would be of cifferent dates, some ap recently of reactives is and athere of provides of the set of the bills would be of cifferent dates, some ap who Blied onder Hosgaon. and they togener con-trived a plan to escape, overpower the guard, get possession of the keys, release the prisoners, and make a united escape, but this was discovered by the guard floting that the doer of Lynck's coll had been so drilled and weakened that the slightest ef-fort would force it open, and this led to the deve lepment of the scheme. He was again placed in the "arch," and the most incerious strempts to escape wave much by

AshLAND Was visited with a terrible rain and wind storm on Saturday afternoon last. The Mountaincer estimates the loss sustained in the borough at \$5 000; including Mr Bilts loss \$000; Mr Mondie \$700; J. H. Howver & Co. \$8600; J. B Price. \$500 The root of the Catholic church was nearly blow moff The dirt bank at the breaker of Banoroft, Lawis & Co., was washed down, co-vering the Mine Hill Reilroad.

TREASON IN FORTRESS MONROR-A SINGULAR TREASON IN FORTERS MOREOR-A SINGULAR DISCOVERY -A letter from Fortress Monroe (says the Now York Post) to a gentleman in this city relates a very singular discovery, as follows: "We have mide an importast discovery, and hope this will bring about a change. A few days ago a party of my company went out bathing at M.1. oreak, near Fortress Monroe, and there dis-covered, to their great surprise, as you muy judge, an electric telegraph wire; and on inspection found it to connect the fort with Fox Hill, where it is said the enemy is entrenched in strong num-bers."
