FURTHER HEARING OF THE OFFICERS OF A DEFUNCT SAVING FUND.—Yesterday afternoon the hearing of the officers of the defunct National Safety Insurance and Trust Company, who are charged with conspiring to cheat and dofraud, was resumed before Alderman McCahen. Wm. J. Read, formerly the secretary of the in-stitution, was recalled. The book containing the semi-annual statements of the company was recog-nized by the witness. The first item of the assets, amounting to \$200,000, remains unpaid. The so-cond item is two mortgages—one of Mr. Bucknel for \$46,000, and the other of Mr. Spearing for \$4,000. This mortgage was one of a number of se-curities transforred previous to the assignment to Mr. Joseph E. Barry. On the evening of the 17th of April. Mr. Joseph E. Barry was elected presi-dent of the institution. The mortgage for \$4,000 had been sued out and a judgment obtained on it. Witness did not know of Mr. Barry ever having become security for any one oxcopt as stated in a resolution adopted at a meeting of the directors. The company now possesses some of the ground-rents. The fourth item, stocks and loans, of \$441,-633, was set down as being owned by the company. There was a large lot of notes receivable by Mr. Coulter : he could not tell the amount ; he thought there were fifty or more notes of Mr. Coulter ; they varied from fifteen hundred to five and ten since been paid off. The book of the investment comfitte was shown and recognized by witness. All of it is in the hand writing of Dr. Smiley. There is no entry after the lat of November, 1860. CHARGED WITH TREASON .- Yesterday, two cases of alleged treason were heard before Alder-man Remick, of the Elevonth ward. The first case was that of a German, named John A. Hefner, living at No. 1634 North Eleventh street, who was charged with treason under the recent law of the State. The only oridence against the accused was a woman who kept a store at which Hefner was in the habit of making purchases. The woman testi-fied that the prisoner had said in her store that if it was in his power he would blow up the Federal fort, and price upon and environment of the federal forts, and raise men and arms and join the Confede-rate army. It seems that Hefner had made an application at Washington for a commission in the srmy, which he failed to obtain. Alderman Re-mick held the accused in \$3,000 bail to answer.

Bail was promptly given. The second case was that of Frederick Mayer, The second case was that or predetex Mayer, also a German, who had been a captain in a three-months regiment, which had returned from the seat of war. He was charged with conspiring with parties in the South to recruit men for the Federal forces. and then to turn them, with their equip-ments, over to the Confederates. A letter, written ments, over to the Confederates. A letter, written in German, and inlimating the existence of some such arrangement, was found upon his person. The necused was held in \$5,000 bail to answer. These cases, although they do not appear to have

much substantial importance, created no little stir in the Eleventh and Twelfth wards.

It is needless to say that such an allega-tion should not find its way into the columns of any re-spectable newspaper without some foundation in fact, and we feel it cur duty to the friends of the decreased to state, not only that it is entirely untrue, but that Mr. Smith carried through life a character for the strictest temperance and sobriety, and that the launentable acci-dent which caused his death was the result of a tempo-rary aberration of mind.
