us States, where it has been insulted and tram- rements, all of them, must be loyal and morsary as loyal. Unfortunately, there are many men us who detact themselves for the Gorenment, war and its vigorous prosecution, whose patri- ever goes beyen party lines for the Gorenment, war and its vigorous prosecution, whose patri- ever goes beyen party lines, and is kept alive by e of PUBLIC PLUNERS. If we intend to protect serve the institutions of our country we must take at such persons do not get control of them through adherence to party monimations, or the in- and patronage of public offices. Well known that for some years are nearly all our well known that for some years are nearly all our through the moditate of party politics, have so eland dishonered our city but their vensitive, in- regard tend evolute. That Thitadelphia has lost all districts of the second of the proposed, relating to thous and classes of citzens engaged in particular ones, for the sole purpose of extorting mones those whose interests they may like the common and insurance companies, are results of de our city, through fraudulent as-inoma in- man and insurance companies, are results of de orrupt legislation. All citzens are alike, ed in putting an end to such serious calami- drestoring the influence of our great netropolis, also of the State. We believe that our candidates so important positions coine up to the standard of the city much against their own wishes, and, and tolly approving the deciration, approved the variation of the course, and individually approving the deciration, approved the variation of the course of the course of the course did, offering their lives in support of our Govern- and institutions, we think that no man in civil life gift to frehse any public service for which he is, d, and to which he may be calid bor he out of seven- the variation of the course did, offering their lives in subspect of our course, and that the part of the course of the co	BLUE BEAVERS.
