AFFAIRS IN KENTUCKY.

Where is John C. Breckinridge?

The locality of this notorious personage is mythical. One day we have the announcement that he is fleeing toward Tennessee...

He is supposed to be in the neighborhood of the mouth of the Big Sandy river, where he is said to be engaged in the business of a merchant...

It is not probable that he will be seen in the State of Kentucky again, unless he should be driven there by some extraordinary circumstance...

It is not probable that he will be seen in the State of Kentucky again, unless he should be driven there by some extraordinary circumstance...
