ment Java Coffee; also, a complete assortment of all the choicest groceries for family use. GENERAL ANDERSON .- New York has preunted the freedom of the city to General Robert Anderson, the Hero of Fort Sumpter. The "freedom" was done up in a gold box, and it will enable the General to go where he pleases from the Battery to the Central Park, and to visit all the lions of the city from Barnum's Museum to the Fitth-avenue Hotel. The General will doubtless look around Gotham when it suits him, but when he wants a new uniform he will come to Philadelphia and procure it at the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestaut street, above Sixth. He knows that the best military clothing n the country is got up at the establishment named. Astonishing.—An English paper says that punching the eyeholes of needles by hand, children, who are the operators, acquire such a dexterity as to be able to punch a human hair, and thread it with another, for the anusement of visitors. This is truly astonishing and causes as much surprise as the elegant and fashionable fall and winter garments which are now being disposed of at a great sacrifice; in order to suit the times, at the mammoth clothing depot of Granville Stokes, 609

hestnut street. Great bargains for purchasers. MARINE INTELLIGENCE.
