```
January, 1862:

"It is that rare thing, a well-told love story. Free from sickly sentimentality, yet full of romance, 'For Better, for Worse,' is a master-piece of its kind; and, say what you will, there is no theme which, when rightly told, is as absorbing as first-love. No 'semeation' story is more fascinating than this, yet, unlike such stories, 'For Better, for Worse' is not exaggerated. The characters of the three sisters, Margaret, Ethel, and Grace, are admirably contrasted; the render hardly knows who to admire the most though Margaret, perhaps, will generally be the favorite. The novel closes with smiles and sussishin, as all good love stories should. Even the marriage of Ethel, which, at first, threatens to make both Grace and Philip miscrable for life, proves a happy one in the end. But we will not forestall the render's pleasure. Buy the book, read it, and find it all out for your self."
