"Special Despatches to the Press."

The President's Message—Despatches from Harper's Ferry.

WASHINGTON, Nov. 29.—According to present indications, the President's message will not be sent in advance of its delivery to Congress.

Despatches have been received at the Navy Department, from Flag-officer Dupont, dated Fort Royal, the 25th, giving the gratifying intelligence that the flag of the United States is flying over the territory of the State of Georgia.

Ylze Island (which, he says, is within easy reach of Fort Mifflin) is now being taken possession of by the United States.

In giving an account of his capture of the British vessel, the Commodore Yarn, on the 25th, Dupont says she has been brought into Fort Royal harbor.

She purported to be from Havana and bound for New York, but, at the time of her capture, was loading for St. Gallier's Sound.

Her cargo consisted of 7 bales of blankets, 4 cases of cloth, 3 boxes of staves, 2 boxes of iron, 120 bags of coffee, 20 barrels of powder, 500 pigs of lead, 30 bags of shot, and a host of other articles.

It was reported that a considerable reduction had been made in the price of the various commodities.

The French Senate will be convened on the 30th of December.
