CITY ITEMS.

Services at St. Andrew's Church Yester-

day Morning.

The Rev. Dr. Stevens, rector of St. Andrew's Pro-

preached a sermon in that edifice yesterday morning,

preached a sermon in that cannot restrain morning, from this text of Scripture:

"But when the fulness of time was come, God sent forth his Son, made of a woman, made under the law, to redeem them that were under the law, that we might receive the adoption of sons,"—Galatians iv, 4, 5.

The church, in accordance with the usual custom o

Episcopal churches, is now decorated in a very tasteful

The discourse of Dr. Stevens was a Christmas sermon, incid, elequent, and comprehensive, setting forth the prephecies pointing to that great event in the history of a fallen world—the advent of the incarpate Son of God—

and showing, by conclusive testimony, their marvellous fulfilment. He divided his subject into these four heads:

\$975; demestic missions, \$1,002; foreign missions, \$1,245; perochial missions, \$1,000; parish-schools and

libraries, \$220; Episcopal fund, \$180; Convention fund,

\$60; prayer-books and tracts, \$250; book society, \$150; Christian or Theological Education, \$500; disabled clergymen, \$156; miscellaneous, \$5,756; total contributions for the year, for all purposes, \$11,511.

The consecration of Rev. Dr. Stevens to the Assistant Bishoptic of this Episcopal Diocese will take place at

St. Andrew's Church, on next Thursday morning, at 10 o'clock, of which notice was given yesterday in all the Episcoral churches in the city.

Two Great Lectures for the People.

We are soon to have two lectures in this city, under the

auspices, and for the benefit, of the Young Men's Christian Association of this city, which, apart from their

worth: object, ought to be largely attended by our citizens. We allude to the lectures, announced in another column, cutified "In and Around Jerusalem," and "Up

and Down Palestine," to be given at Concert Hall, by the Rev. Alfred Taylor—the first to-morrow (Tuesday)

evening, and the second Tuesday evening, January 7th

The lecture to-morrow evening will treat especially of

Holy repulcine, Interior of the Holy Sepulcine, Waiting Place of the Jews, the Wall, Tower of Hippicus, Pool of

Herekiah, Tombs of the Kings. Scenes of the Valley of Jehoshaphat, Lower Pool of Gihon, Haran es Sherif,

Garden of Gethsemane, Bethany, Solomou's Pool, &c., the whole to be illustrated by magnificent oxy-hydro-

photic views. Lectures combining as much entertainment and instruction have seldom been given in this

First, the time specified for Christ's coming; second, the event itself; third, the purpose of that event; and, fourth, the effect of it—that we might "receive the adoption of sons."
