GRUTEN CARSONAGE or PURE COD-LIVER OIL. The repugnance of most patients to COD-LIVER OIL, and the inability of many to take it at all, has in-duced various forms for disguise for its administration that are familiar to the Medical Profession. Some of them answer in special cases, but more often theyrehicle methalizes the usual effect of the Oil, proving quite as unpalatable and of less therapeutic value. The repug-nance, nauses, &c., to invalida, induced by disgust of the Oil, is entirely obviated by the use of our CAPSULES. OD-LIVER OIL CAPSULES have been much need istaly in Europe, the experience there of the gooder-sails from their use in both hospital and private practice, saids from the instructurally suggested savantages, are suf-ficient to watrant our claiming the virtues we do for them, feeling assured their use will result in benefit and deserved favor. Professors BollES and ADAMS, 1220 Walnut street. GENTS.: The remarkable cure which I have derived from your method of applying ELESTHIOITY, compels me to thus acknowledge the great obligations I am un-der to you for snatching me, as it were, from an imme-diate death. About two years ago, while a resident of Cincinnati, Ohio, I was visited with an attack of para-lysis of the lower extremities, which rendered me almost entirely unable to stand upon my limbs. I employed some of the most cicleratide physicinas to be found the apoplexy. Two weeks elapsed from that time before I became the least corscions of anything that had trans-pired, nor could I concentrate my mind or converse upon any subject without becoming very visionary and sw. cited, until I placed myself under your valuable treat-inet. While in Ohio, and after my friends, my family, and myself had forsaken all hopes of my improvement or re-covery, my wife proposed that a visit to the East might possibly benefit me, and after onsent and approval. After my arrival in Pbladelphia my attention was called to your treatment by a pamphlet haaded me by my father, which contained the numes of some gentlemen whom I had been formerly acquainted with, and whose statements I could rid your. I immediately made up my mind to place myself under your treatment. I have new been the recipient of four treatments. I have new feel perfectly satisfied that I am restored to a sound con-dition, and I therefore feel it my duty to gratefully acknowledge the bonefits which I have received through your treatment.
