The council of the University of the city of New York adopted a series of resolutions in reference to the decession of the Hon. The "Fefer Funks," or mock auctioneers, are de-creasing in numbers very fast. The action taken some time ago in reference to this species of fraud and viliatory by Superintendert Kennedy, is taking the business out of the Mayor's office, where it has always been fostered, and where new arrangements had been made for its pro-tection, immediately after the advant of Mayor Updyke tection, immediately after the advant of Mayor Updyke to office. Superintendent Kennedy placed a vigorous police captain at the City Hall, and directed all "feter Funks" to be handed to him. By this, hundreds of dollars have been kept from the maws of officials in the Mayor's effice, and the mock gentlemen have found that the police could not be bought up with impunity. The Commissioners of Enigration report the arrival of 649 enigrants during the past week—a total of 0,655 for the year. There is a balance of \$6,556 60 in the bank on account of the Commissioners.

The etemper Fankee, the active hide cruiser which engaged the rebel latteries on York river ou Monday, was fitted out at this port a year ago, through the agency of Mr. Win. B. Astor. While communication was suspended between Washington and Baltimore in April last, Mr. Astor chartered the Yankee at his own expense, Obtained her armament at the Navy Yard, and sent her to the Cheappeake. She was subsequently purchased by the Government.

her armament at the Navy Yard, and sett ner to the Chesapeake. She was subsequently purchased by the Covernment.

The nomination of Col. Corcoran as Harbor Master, by Governor Morgan, is reserved as a popular and handsome act, sithough it is generally deemed that the brave and gallant colonel of the Sixty-ninth regiment, who did such excellent service at Bull Run, and who is now a prisoter in the hands of the rebels, is entitled to something better than the office of Harbor Master. This, however, makes present provision for his family.

The Custom-house returns of the commerce of the port, in March, were completed last evening. The imports for March were \$16,600,609, against \$12,607,945 last year; increase, this season, \$5,072,091. There was also entered, during the mouth, foreign specie of the value of \$99,327, against \$5,9546,400 same in with last year. The exports of the mouth were \$11,930,714, of which \$2,471,232 were of specie. The export of March, 1861, was \$11,831,394. The exports, recapitulated for the nine months of the fixed year, those:

CITY ITEMS. THE MISSES CHAPMAN'S SCHOOL AT HOLMES-BURG.—In another column of our paper, to-day, will be found the card of the Misses Chapman's boarding and day

chool for young ladies at Holmesburg, located about eight miles from the city proper. 'I he advantages offered by these ladies are worthy the attention of parents. Pupils are received in the family of the teachers, who aim at thoroughness, rather than rapidity, in imparting instruction. From their statement, contained in their circular, which we have received, and the testimony of sidents in this city respecting the excellence of this school, we have no hesitation in recommending it to the favor of our readers, here and throughout the country. SUPERIOR HAMS AND DRIED MEATS .- Mr. C.H. Mattson, dealer in fine groceries, Arch, and Centh streets, has just received an elegant lot of his celebrated Jerseyured hams; also Dried Beef of the best quality, and large size Tongues, to which we invite the attention of

TIMES .- " It appears that the Washington Government as outland another defeat is a hattle at Pitteburg Landg, in which the Confederates carried off two gunboats, the General Grant and the General Buell, belonging to balance of the Federals escaped by swimming to Island No. 10. Pittaburg is a large manufacturing town, the capital of Philadelphis, and is situated at the confluence of the Mississippi and Tennessee rivers, nearly opposito to Savannah, which latter city is at present menaced by Commocore Stringham's large fleet, assisted by the land forces of General Fremont. Near to Pittsburg is the celebrated 'one-price' Clothing Store of Charles Stokes, where all clothing is sold at one price, from the mos dinished gentleman's habit to that of a school-boy of a half-dozen summers, one among the many instances of

HAVE YOU A COUGH? Then use JAYNE'S EXPECTORANT. Do not allow your cold to take its own course. Two thirds of the victims of consumption owe their afflictions to the fatal mistake of "waiting for a cough to get well of itself." D not fall into this error, but avail yourself at once of a remedy which thirty years' experience has demonstrate s certain to procure a speedy cure. HAVE YOU ASTHMA OR PHTHISIS? Then use JAYNE'S EXPECTORANT, which will

overcome the spasmodic contraction of the wind tubes, and cause them to eject the mucous or matter which close them up, and by an easy and free expectoration remove all difficulty of breathing. HAVE YOU BRONCHITIS? Then use JAYNE'S EXPECTORANT. This widespread disease, which may generally be described as an inflammation of the fine skin which lines the inside of the wind tubes of air vessels, spreading through every part of the lungs, is often taken for Consumption. The

Expectorant subdues this inflammation, relieves the at-tending cough pain, and difficulty of breathing, and if the case is not of too long standing, will certainly pro-HAVE YOU CONSUMPTION? Then use JAYNE'S EXPECTORANT. It cleanses the lungs from all irritating matters, while at the sam time it heals and invigorates them. Of all the reme lies which have been offered to the public for this dread disease, none have stood the test of time or maintained so universal a popularity as this Expectorant. Thousands who have been given up by their physicians as incurable, have been restored to perfect health by its use, and

their testimony must carry conviction to all who read it. HAVE YOU PLEURISY? Then use JAYNE'S EXPECTORANT. By taking two or three large doses in the early stages of the dis-ease in quick succession, and covering up warmly in bed, this preparation acts as a sudorific or sweating mod cine, and subdues the inflammation at the outset. HAVE YOU WHOOPING COUGH!

Then use JAYNE'S EXPECTORANT. There is remedy which so effectually overcomes this disease as the Expectorant. What parent can witness the sufferings of her children from this distressing complaint with out doing all in her power for their relief? What medicine so pleasant to the taste, or so certain to produce imnediate benefit? Give it a trial, then, and let it prov its efficacy.

HAVE YOU CROUP? Then use JAYNE'S EXPECTORANT. Children are ubject to no disease more sudden in its attacks, or, in the absence of prompt relief, none more fatal in its results than Croup. Parents, therefore, should keep at hand a remedy sure and thorough. Such a remedy may be found in the Expectorant, and every careful mother will keep a supply by her. JATNE'S EXPECTOBANT

Is a standard medicine. For thirty years it has been before the public, and during this period its curative ali anarters of the world. Physicians, clergyme lawyers, merchants, and mechanics have experienced its remedial effects, and have furnished us with their testimony, and it may be found at length in our Almanac.
