"And ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me, both in Jeru alem, and in all Judea, and in Semaria, and unto the uttermost parts of the earth?"

The sermon was an able one, and was listened to with arked attention by the congregation. The exposition the preacher's views was lucid and clear, and it was together a fine piece of writing. After the sermon a short recess was taken, after which roll was called, and the Convention proceeded to The Rev. John A. The report was then taken up and discussed.

Mr. Peter McCall took the floor, and opposed the report. The Convention then adjourned until half past 8 THE EFFECT OF THE RECENT ORDER THE REFECT OF THE ILLUSHY ONDER OF GOVERSOR CURTIN.—Yesterday the military excitment which has prevailed sices Monday last, entirely subsided. The message from the Governor, countermanding the call for three-mouths volunteers, at once closed up the various recruiting offices of the Gray Reserves and Home Guards, and had the effect of producing a quietus that would rival the times of peace. There appears the contract of contract regards and in poguarquietus that would rival the times of peace. There appeared to be a feeling of general regret, and in no quarfer was that regret more completions than at the recruiting stations, where, previous to the Governor's countermanding orders, the most jost all spirit existed in anticipation of an opportunity to meet the foe. By the reports of the officers of the Reserve Brigade, it was found that over 600 men had been enroiled in the 1st Regiment. Some of the companies were now full, and others were fast filling up.

Company A, of the Gymnast Zouaves, had recruited 52 men, Company B about 50 men. These two companies comprise the Zouave Battalion, commanded by Major E. D. Vanhorn. They are attached to the 4th Regiment, Reserve Brigade, Col. Yeaton. This battalion have in active service about 200 of its members in was that regret more conspicuous than at the recruitlion have in active service about 200 of its members in Birney's and Baxter's regiments. They expect to re-Birney's and Baxter's regiments. They expect to recruit 100 men to each company.

One company from West Chester and another from
Chester applied to Colonel Aiken, of the Reserves, for
positions in the regiment, and were accopted. One company applied to Col. Day, et the 2d Regiment, for admission. The lat Regiment of Artillery actively recruitcd being commanded by Captain Parry, the senier officer of the regiment. Three companies were started by
the Washington Grays, of the 1st Artillery. The
Philadelphia Grays, West Philadelphia Grays, Cadwallader Grays, and other companies of the 1st Artillery Regiment, were recruiting. der Grays, and other companies of the lat Arillery Regiment, were recruiting.

About eighty of the old members of the Washington Grays enrolled their names. The regiment expects to be able to traye during the week.

The National Guards recruited at the armory of the regiment, Race street, below Sixth. The armory was opened for recruiting purposes and some seventy new names were obtained. It is said that some of the companies of the Reserve Brigade which have been thus re-

ACTION TO RECOVER THE PROCEEDS OF A SALE.—In the District Court, yesterday, before Judge Sharswood, the case of Alexander Ardiev, administrator of James H. Sprague, deceased, vs. William M. Thackars, was tried. This was an action to recover the sum of \$1,020, being the net proceeds of a sale of certain household furniture, alleged to have been the property of James H. Sprague, deceased, and sold by the defendent, and the proceeds paid over to his sister, who was the adopted daughter of Mr. Sprague. The defence set up was that the furniture had nover belonged to Mr. Sprague, but was the property of his mother-in-law, who, by an instrument in writing, gave the same to the adopted daughter of Mr. Sprague.

The plaintiff proved that Mr. Sprague at the time of his death had poss-section of the furniture. The defence proved by the deposition of the mother-in-law that the furniture was hers, and had never belonged to Mr. Sprague The plaintiff then introduced rebutting testimenty to show that Mr. Sprague had, prior to his death, purchased turniture corresponding in description to that sold by the defendant. Verdict for defendant. J. A. Clarke for plaintiff; Theodore Cuylor for defendant. ACTION TO RECOVER THE PROCEEDS

SICK AND WOUNDED AT FORTRESS MONROE —The depu atlou sent down from the Young Men's Christian Association of this city has been warmly welcomed by the surgeons at the fort, and a field of great usc unces has been opened to them. We under-stand a reinforcement has left, and that several boxes of stand a reinforcement has left, and that several boxes of hospital stores were also sent per express.

Every article placed in the hands of the Association is distributed by members of the deputation, and accompanied by such words of consolation and kindness as are well fitted to obser and comfort the suffering.

It appears that the men at the fort and in the neighborhood are all either very sick or badly wounded, so much so that they cannot be removed. It is, therefore, a true act of benevolence to minister to their wants, far away as many of them are from their friends and their home. Articles for the deputation may be sent to the room,

THE PENNSYLVANIA KAILROAD.—
The directors of this company have unanimously elected Thoras A. Ecott, Esq., vice president of the company. He will, the refore, return to Pennsylvania, and devote his time and energies to the management of the railroad. His immediate return is rendered necessary by the intended departure for Europe of Mr. Thomson, president of the Pennsylvania Railroad Company, in the steamer of June 4th. Mr. Ecott tendered his rasignation as Assistant Secretary of War to the Secretary some weeks ago, to take effect June 1st. His labors for the Government have been almost unceasing for the past year, in opening the routes for transportation to and from the national capital; and in the organization of our grand army his services have been of great value to the country.

MEETING OF THE STOCKHOLDERS OF THE LEHIGH COAL AND NAVIGATION COM-PANY.—An adjourned meeting of the Stockholders of the Lehigh Coal and Navigation Company was held yes-terday afternoon at the Board of Trade Rooms, to hear the Lening tools and avarigation company was man yesterday afternoon at the Board of Trade Rooms, to hear the report of the committee appointed to examine into the subject of the conversion of the distributed sorip shares of the company into stock. Thomas Earp, president, was in the chair, and Edwin Walteracter as secretary. Mr. Thomas Williamson, chairman of the committee, stated that they were not ready to report. There were certain legal rights involved, and it was desirable to have a full consultation with the counsel of the company. One of the counsel was absent from the city, and will not return until the 31st inst. Mr. W. then moved that when this meeting adjourns, it be to assemble at the call of the committee, upon five days' notice. Agreed to On motion, John A. Brown was appointed a member of the committee, to fill a vacancy. The meeting then adjourned.

AFFAIRS AT NEW ORLEANS .- Yesterday morning a copy of the New Orleans Picayune of May 7th, inst., was received at the Merchants' Exchange. It is in half sheet, and looks yellow, as though convalencing from the Southern fever. It contains nothing of interest. A small editorial is devoted to street-walkers, complaining of that body of women as a nuissance. sance.

A suggestion is made to the police to enforce the ordinance of the city in such cases made and provided. Its local in elligence briefly reports the murder of a countrynam, and the arrests of sundry parties for assaults and batteries and drunkenness. The commercial market reports that, under the proclamation of General Buller, there is no reason to believe that business cannot be conducted without confidence. There is not a word in reference to the National troops.

Young Beginners .- Joseph Shane, Young Beginners.—Joseph Shane, William Hardee, and James Fairen, three lads, were taken into custody on Thesday night about 11 o'clock, while concealed in the dwelling of Mr. Robert Hare Powel, on South Third street, below Willing's alley. The trio, whose ages range from nine to eleven years, had found an entrance to the premises through the front cellar window. After cutting off the lead pipe and breaking it up ready for removal, the young rascals attempted to get into the upper portion of the house, but the noise made while working upon the door betrayed them. Finding that they were discovered, the burglers stowed themselves away in a box, from which they were taken by the police of the Fifth ward. The prisoners were committed yesterday for a further hearing before Alderman Beitler.

CONCERT AT THE ACADEMY.—This

ovening a grand concert will be given, at the Academy of Music, by the pupils under the instruction of Mr. John Bower, out of compliment to him. The pregramme comprises a great variety of vocal and instrumental music given by pupils of Bower & Bachmann's Normal Musical Institute and others. A new patriotic song by Mrs. T. M. Coleman, music by Benkert, will be given, together with spirited patriotic pieces by other authors. It will be a remarkably spirited and enthusiastic entertainment and will be givened. thusiastic entertainment, and will be crowded. At least one thousand pupils will take part in the choruses.

WE TAKE PLEASURE in noting the untiring, kind, and delicate attentions paid to the sick and wounded soldiers, who arrived on Sunday last at the hospital at Broad and Race streets, and were not able to find accommodations in its crowded wards, by Mrs. Ellen G. Dawson and other lady residents in the neighborhood of Penn Square, whese houses and home comforts were freely placed at the service of the soldiers of the Union, until they were admitted to the Arsenal building on Filters street. THE EXCITEMENT IN BALTIMORE. The excitoment in Baltimore seems to have subsided. The following items, from the Sun and Clipper, will be

Seizure of Arms.

During Monday night Murshal Vannostrand, with a rosse of policemen, who were at the time acting as a guard in the neighborhood of Mount Clare station of the Baltimore and Ohio Rallroad, for reasons best known to Marshal V., demanded of the watchman of the railway werehouse that he open the door of the warchonise and deliver over to him (the marshal) a lox of muskets which he had been informed were there concested. The demand was compiled with and the arms taken possession of by the marshal, and subsequently carried to the central solice station. Testerday Mr. J. W. Garrett, the president of the railway company, made a requisition either for the return of the box of arms, or a receipt from Marshal Vannostrand for the same, as the company were responsible to the Government for the arms. The box in quastion had come from Western Virginia without the proper direction, and of course was stored in the company's warehouse, until the further spolleation from the U. S. quartermaster, who had forwarded them. The whole affair of the science evidently grew out of falss information given to the marshal by evil-disposed persons.

In connection with the statement in the Sun yesterday, of the demonstration of rowdyism at Mount Clare station on Monday afternoon, it is also ascertained that several of the workmen inclide the yard were badly heaven, and others had to escape for foar of being assailed. A police force was present in that neighborhood during yesterday, and their appearance there kept affairs quiet. Several gentlemen were badly beaten in the southern and couthwestern sections of the city in the early part of the morning, but as the rowdles had ascertained of certain addensioners for their apprehension, and as warrants for the strategies of the workers inclide the yard were badly heaven, and others had to escape for foar of being assailed. A police force was present in that neighborhood during yesterday, and their appearance there kept affairs quiet. Several gentlemen were badly beaten in the souther Seizure of Arms.

The City Yesterday.

The stri gent measures adopted by the Board of Police on Monday had the effect to restore comparative quiet to the city yesterday. As on the two preceding days, crowds of persons began to collect on the sidawalks in Baltimore street, between Calvert and Gay streets, but the orders were to forbid any such gatherings, and they were dispersed, but not without mutterings of complaint. In the forencon a party of the more disorderly disposed made a-movement towards the western part of the city. On Fratt street they compelled Mr. Hoffman, prorpietor of a store, to procure and put out a flag, after which they visited a class store in the same vicinity, and took from the proprietor a portion of his stock. They then passed up Howard and Liberty streets to a restaurant, near Lembard street, where an effort was made to gain admission. But the house was closed under the proclamation of the Police Beard, and the effort was feutiless. From that point the crowd dispersed, and there was no further disorder during the day. In the afternoon there were a few persons on Baltimore street, which was well guarded by police, and quiet provailed. The night was quiet, and the indications are that a re-enactment of the scenes of Sunday and Monday will not be permitted.

Arrests. The City Yesterday.

Arrests.

An order was issued, yesterday, for the arrest of all persons known to have been concerned in the riotous demonstrations in this city during Sunday and Monday, Yesterday, in pursuance of the order, the police arrested Gregory Burrett, Frederick Kraft, and William King, on the charge of having been concerned in the demonstrations. They were taken to the Central Police Station and confined, subject to the order of Major General Dix. Another party, named William Singleton, was arrested in the southern part of the city, and confined at the Southern Station, subject to the order of the same officer. The Maryland Avengers.

The recruiting of men to fill the vacancies in the 1st Maryland Regiment progresses vigorously. So far, one hurdred and eighty-nine have culisted, and from present indications, sufficient to form an entire regiment will scon be enrolled. Damning the Flag.

James Hinds was arrested yeaterday by Officer Bond, of the Western district, and looked up in the station-house, upon the charge of damning the American flag. The robel was held for further orders by the Govern-Served Him Right. Last night a young man named King, residing on Bart street, was observed on the corner of Fayette and

net street, was observed on the corner or rayette and Park at cets dragging along the pavement a rat, which he sneeringly asserted was the fac-simile of Col Kenly. A gentleman who witnessed the revolting spectacle, immediately summoned a policeman, who arrested the unfeeling young man. He was conducted to the Central police station and locked up for a hearing. Treasonable Talk.

Jacob Myers was arrested on Monday night, charged with using treasonable language on the street. Justice Hiss released him on security for a further hearing. PRILADELPHIA BUARD OF TRADE. GEORGE N. TATHAM, BENJ. MARSHALL, COMMITTER OF THE MONTH. JAMES R. CAMPBELL,

This Portable Roofing is the only article ever offered to the public which is ready prepared to go on the roof without any finishing operation. It is light, handsome, and easily applied, and can be safely and cheaply transported to any part of the world. It will not taint or discolor water running over, or lying on it, and is, in all respects, a very desirable article. Its non-conducting properties adapt it especially to covering manufactories of various kinds; and it is confidently offered to the public after a test of four years in all varieties of climate and temperature, for covering all kinds of roofs, flat or pitched, together with cars, steamboats, &c.

It is both cheap and durable. Agents, wanted, to whom liberal inducements are offered. Send for sample, circular, &c., with particulars, to "U. S. BOOFING OO., No. 9 GORE BLOOK, Boston."
