GENTLEMEN:—I am still your Representative, and from a sense of duty to you, submit the following statement: E M Smith, Harrisburg M K Regar, Lancaster co T. VERNON-Second street, above Arch. Lewis Brodhead, Penna Conrad Johnson, U.S.A. ment:

"The City of Philadelphia is paying enimmense sum of money for the collection of its revenues. To correct this wrong, I last winter introduced a bill which, had it become a law, would have saved the City at least fifty thousand dollars a year. The bill passed the House, but was ART EMPORIUM—REIMER'S

I cordially, supported Mr. Wildey's bill, which proposed to repeal the Act of 1861, under which Act the Beceiver of Taxes had elaimed five per cent on outstanding taxes. That bill passed the House, and was also defeated in the Senate. Late in the session the Members of the House were startled to learn, that at the instance of the House were startled to learn, that at the instance of the Receiver of Taxes, or of persons in his interest, who had visited Harrisburg for that purpose, the collection of the state and Marcantile tax had been surreptiously taken from the City Treasurer's Office, and transferred to the Receiver of Taxes Office, with an increased charge of 2½ per centum for collecting, &c.

That obnoxious law was soon repealed, and I had the knor of assisting in the work. Some of the parties immediately interested in maintaining the present unjust and burdensome system of collecting taxes, determined that I should no longer interfere with their wishes, and before the close of the session I was informed that a joing man, who is a clerk in the Beseiver of Taxes Office, had been selected as my successor.

The parties engaged in carrying out this (to them) desirable change, perfected their organization months since, in every precinct in the district.

They rely for success, not so much upon their strength, as upon the belief that you will, as heretofore, neglect to take part in nominating candidates for places of trust. Apprised as you now are of this fact, and having a direct personal interest in the proper settlement of the issue that is now pending, it is for you severally to determine whether you will keep away from the boils on the affernoon and evening of Treeday next, (the 26th inst.) and allow me to be proceribed for attempting to protect your rights, or attend and rebute the efforts of a few city officials, who, not content with immense receipts, assume to select your -WILLIAMS -On the 19th instant, by the tiel I. A CARD TO THE PUBLIC. CONGRESS SPRING WATER DEPOT, 98 CEDAR STREET, NEW YORK.

An attempt has been made to deceive the public by persons offering what they call "Congress WATER" from fountains, and at the price of six (6) cents per glass. The wholesale price of the genuine Congress Water, at New York, being about 7% cents per glass, the imposttion of pretending to sell at retail at less than cost, and without allowance for freight, cartage, or breakage, is apparent; but their probable course has been to empty one bottle of genuine Congress Water into a fountain filled with their trash, and thereby christening its total

We have HEVER sold Congress Water in fountains, nor in vessels of any other description than ordinary-sixed glass bottles.
