MICHAEL V. BAKER,

AND-1sel

TO THE UNION ELECTORS OF THE BIGHTH LEGISLATIVE DISTRICT, COMPRISING THE TENTH WARD, AND FIRST, FOURTH, FIFTH. SEVENTH. AND KIGHTH PRECINCTS OF THE FOURTHENTH WARD.

GENTLEMEN:—I am still your Representative, and from a sense of duty to you, submit the following statement: The City of Philadelphia is paying an immense sum of money for the collection of its revenues. To correct this wrong, I last winter introduced a bill, which, had it because it is the control of the con wrong, I last winter introduced a bill, which, had it become a law, would have saved the City at least fifty thousand dollars a year. The bill passed the House, but was lost in the Senate.

I cordially supported Mr. Wildey's bill, which proposed to repeal the Act of 1861, under which Act the Heceiver of Taxes had claimed five per cent. on outstanding taxes. That bill passed the House, and was also defeated in the Senate. Late in the sension the Members of the Heuse were startled to learn, that at the instance of the Receiver of Taxes, or of percons in his interest, who had visited Harrisburg for that purpose, the collection of the fatte and Mercantile tax had been surreptitiously taken from the City Treasurer's Office, and transferred to the Beceiver of Taxes Office, with an increased cherge of 2% per contum for collecting, &c. ferred to the Be ceiver of Taxes Office, with an increased charge of 2% per centum for collecting, &c.

That obnoxious law was soon repealed, and I had the kenor of assisting in the work. Some of the parties immediately interested in maintaining the present unjust and burdensome system of collecting taxes, determined that I should no longer interface with their wishes, and before the close of the season I was informed that a course was the in a clock in the Bessiver of Taxes.

original charge, the first section of the parties engaged in carrying out this (to them) desirable change, perfected their organization months since, The parties engaged in the parties of the parties o as upon the belief that you with as nectory heaves take part in nominating candidates for places of trust.

Appried as you now are of this fact, and having a direct personal interest in the proper settlement of the issue that is now pending, it is for you saverally to determize whether you will keep away from the polls on the affernoon and evening of Tuesday next, (the 26th inst.,) and allow me to be proscribed for attempting to protect your rights, or attend and rebuke the efforts of a few city officials, who, not content with immense receipts, assume to select your Representatives.
