From Major Gen. P. Kearney, U. S. A.

From Major Gen. P. Kearney, U. S. A.

Permit me to add my testimony to that of all other military men, that tie publication of Githam's Mauu si s most useful to the country. It is useful for all, but particularly for our Volunteer forces. It is comprehensive, complete, and reliable. I regard it the best Military Work that exists. There is no duty either of the Staff or of the Line, that is not thoroughly explained.
