Extract of letter from the late gallant and lamented Major General Philip Kearney:

WASHINGTON, B. C.

From Major General P. Kearney, U. S. A.

Permit me to add my testimony to that of all other military men, that the publication of Gilhan's Manual is most useful to the country. It is useful for all, but particularly for our Volunteer forces. It is comprehensive, complete, and reliable. I regard it the best Military Work that exists. There is no duty either of the Staff or of the Line that is not thoroughly explained.
