SPECIAL NOTICES.

GROVER & BAKER'S NEW SHUTTLE SEWING MACHINE.—PRIJE, 840. The attention of tailors and other manufacturers miring the use of a fast and durable lock stitch machine, is directed to our No. 9. This is a new and admirable machine, operating with the greatest case, and with but little noise, and, although but lately put into the market, is already a great favorite with manufacturers. It is a first-class machine, at a low price. No machine ever introduced in this city has sold so rapidly, or given such universal satisfaction. It is very simple in its cons ruction, easily learned, not liable to get out of order, works with fine cotton, silk, or linen thread, adnally well; and the low price at which it is sold places it within the reach of all who desire a reliable, service-
