JAYNE'S EXPECTORANT Has been for Thirty Years the Standard Remedy for CONSUMPTION, ASTH MA. PLEUSIST, BRONOBITIE. WHOOPING COUGH. CROUP. COUGHS AND COLDS, HOARSENESS, PULMONARY COMPLAINTS. No better evidence of the great curative powers of this Expectorant can be offered than the grateful testim my of those who have been restored to health by its usa. and the wide-spread popularity which, for so long a period, it

has maintained in the face of all competition, and which has created a constantly increasing demand for it in all parts of the world. Here is a portion of the testimony lately received : A HARD BACKING COUGH CURED. JOHN VANWORF, of Aurelins, Michigan, writes: For pearly three years I had a HABD RAUKING COUGH, and was fast on the decline. I had given myself up to die, and my friends had no hope of my recovery. I could scarcely walk alone, and was greatly reduced in firsh. The best medical aid that I could find proved of no use to me. I bought two bottles of your EXPECTORANT, which I took according to directions, and I can honestly say that it cures me. I am now well, tough, and hearty. For two years I have not taken cine, nor do I require the use of any since I took

HEMOBRHAGE OF THE LUNGS. Mr. S. E. PUTNAM, of East Rumford, Me., writes: While in Philadelphia in October, 1858, I was taken with Hemorrhage of the Lungs. I employed one of the best physicians in the city, and took his prescriptions fo a long time, and also those of other good physicians that were recommended to me, but without relief. I grew worse, bleeding every two or three days, until I was reduced thirty five pounds less than my usual weight. I then concluded to go to my home, in Maine, and stay through the winter. After being there some six weeks, I had another attack, and was under the treatment of good physicians, without receiving any benefit. I was at last induced to try your Expectorant and Sanative Pills, and as my liver was badly affected, I used, in addition, the Alterative, according to directions. Six bottles of the Expectorant, and a small quantity of the other remedies, completely restored my health, which is now better than S. F. PUTNAM. before my sickness. EAST RUMPORD, July 20, 1859.

Dr. D. Jayne & Son-Dear Sirs: I can testify to the foregoing facts, as they occurred in my own family, and I can bring a number of witnesses who will do the same. JESSE PUTNAM. BUMFORD CENTRE, Maine, August 8, 1859. Dr. D. Jayne & Son-Gents: We are acquainted with Mesers. S. F. and Jesse Putnam, and know them to be reliable and beyond a doubt. We are aware of the oure to which they allude. We gave Mr. Putnamone of your Almanacs, and sold bim the medicine, and we also know

that he employed the best doctors in the country, and HOYT & BACON. they failed to help him. -VALUABLE TESTIMONY FROM CHINA. Rev. I. J. BOBERTS, the well-known Chinese Missienary, writing from Canton, under date of June 25,

1862, says: I find the Expectorant a very valuable medicine—in deed, I cannot do without it, on account of a chronic Breast Complaint, which has troubled me more or less or several year past, and which originated from my preaching too loud and long in the open air. The EX-PECTORANT always cases the pain and quiets the symptoms, and were it not for the requirements of my vocation, I believe would have ere this effected a perma-

"I GAVE UP ALL HOPES OF GETTING WELL" Mr. DANIEL E. LEE, of Tuckanos, Cape May Co., N. Your agents, Shoemaker & Sieelman, sent me a bottle of your EXPECTOBANT, which gave me immediate relief. COUGHS AND COLDS PROMPTLY BELIEVED. Lientenant LOUIS WAGNER, Company D. We are convinced, therefore, that much suffering would be prevented, and many lives a ved, if every company in the army were provided with a small supply of your medicines, similar to the one furnished us. Rav. RUFUS BABCOUK, D. D., fermerly President

of Waterville College, Maine, writes: Dr. D. JAYNE'S FAMILY MEDIJINES, and espe cially the EXPECTORANT. I know that these medicines are highly esteemed, and frequently prescribed by some of the most respectable of the regular practitioners of medicine; and I do not hesitate to commend them as a valuable addition to our materia medica, and a safe as well as eminently beneficial remedy for the dis-

CROUP EFFECTUALLY CURED. JOHN HARRIMAN, Esq., Stewartstown, N. H. Not long since, a child of mine had a very violent and distressing attack of Group, which must have proved fatal had not immediate relief been obtained. I commenced using your EXPECTORANT, and within three quarters of an hour the child, having taken six teaspoonfuls, breathed with perfect ease—a cure within that time having been effected.

Bev. A. H. DANFORTH, Missionary to Assam, India, passenger ship Marlborough, I met with Major Clarke, an officer in the Queen's service, who was connected, I think, with the 53d Begiment, and was located in For William during the rebellion. I soon perceived that he had a TROUBLESOME COUGH, and urged him to take some EXPECTORANT. He at first refused, saytried everything, without the least benefit, and he had now given up doctoring as useless. His wife, however, persuaded him to try it, and to gratify her he did so. He found so much relief that he begged me to let him have all I had with me, saying I could get more when I reached home, and he could not. The Expectorant is prepared only by Dr. D.
