DR. SCHENCE'S PULMONIC SYRUE
DR SCHENCE'S MANDRAKE PILLS.
READ THE FOLLOWING:
WASHINGTON CITY, D. O., Oct. 2, 1862.
Dr. J H Schenck—Cear Bir: I have been for some time going to give you a certificate or statement of the great benefit I have derived from your Seawed Tonic and Mandrake Pills. I suppose I may say that I was ten years laboring a great deal of the time under what no one seemingly could live through. My disease was liver complaint and dyspepsis; my liver was so diseased that it stopped my blood from circulating, and I would get stupid spells, something like apoplexy. I tried every doctor I could hear of, and tried all the medicines I thought suited my case, and colomel pills without number. I have been confined to my bed a menth at a time; my appetite was all gone, and what I would eat would my appetite was all gone, and what I would eat would lay in my stomach for days, and give the most excruciating pains; my bowels were costive. One doctor put a seton in my arm, which I wore for several years, until I commenced with your medicine. I commenced with the Seaweed Tonic and Mandrake Pills, and took with the Seaweed Tonic and Mandrake Pills, and took them as circited, and now I suppose what I am going to say can hardly be believed. I am no old woman and wish to tell rething but the truth. About nine ds. s after I commenced taking the medicine a great chaoge came ever my whole body; my liver began to relax, and, it is rue, for several days I was frightened, and was afraid I would physic myself to death but fortunately you came to Washington just at this time, and told me to keep on taking the Tonic and Pills, as it was not a regular diarrheas, but the morbid matter passing from my system, and .o it turued out. They cured me, and I feel better to day, while I am writing this certificate, than I have for ten years. My appetite is good, my food digests easy, my bowels are regular, my skin looks clear, I seep well; in tact, I feel as though I had fallen asleep and awke up twenty five years back. I fallen askeep and awkee up twenty five years back. I I want every one that feels like I did to come and see me, for I talk better than I can write. I reside at 375

DOCTOR FCHENCK—DEAR SIR: I take great pleasure in sending you a certificate, in addition to many you have already received from suffering humanity. I can bearcely find language sufficiently strong to express my beartfelt gratification of the wonderful cures your MAN-DBAKE PIBLS and SEAWEED TONIO have effected DEAKE PILLS and SEAWEED TONIO have effected in the entire cure of one of the most subborn cases of the affection of the liver. For three years I suffered beyond description; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrible condition to which I was reduced that life to me had become a burden; my whole system was in a state of inflammation; I could not sate; I could not sleep; my whole body was illed with pain; swellings would arise in my wrists and ankies rendering them totally neeless. On several occasions I was attacked with a rush of blood to the head, which would fell me to the ground, and I would be carried away for dead. I applied to several eminent physicians of our offy. applied to several eminent physicians of our city, who admiristered all the medicines that they thought would reach the case, but to no avail. One of them said he could do no more for me, and advised me, as the last resort to drink cod liver oil. Not relianing the last resort to drink cod liver oil. Not relisting the horrid trash, I declined to take it. Accident putyour sdvertisement in my bands. I called on you you examined me and told me what was the nature of my disease. You then ordered me the Pilis and Tonio, with an observance of diet, bledging your word that in one week I would find myself another man. I followed your advice, and as you predicted, an as obsining cure was tiffered. I continued your Pilis and Jonic for some time, and now, thank God for His great goodness and your valuable medicine, I am once more restored to correct beauth. I most carnestly recommend all those who are suffering from an affection of the fiver to alve your Pilis and Tonic a fair trial and a cure will be effected. I have sent many persons to you and they have all been

By. Scheack—Dear Sin: a bout two years ago f was taken with a very troublesome cough and a p-in in my trasst; seven or eight moaths passed away without my doing anything for myself. Then I applied to a physician, who attended me fer about three months without rendering me any service. I also obtained the advice and treatment of a physician in one of our hospitas, and also had the advice and treatment of two other physicians, but all to no purpose. During this long space of time I was nearly dead; several times my friends came to see me and winess my acti into the spirit world. I tine I was nearly dead; several times my friends came to see me and witness my exit into the spirit world. I was confined to my bed two months at one time. My breathing was exceedingly about I gave up several times all hope of getting better, and as regards getting well, that was entirely out of the quation. And to think this day, I am well and hearty! I was advised by some of my friends to try Dr. Schenck's Medicines. I accordingly bought bottle after bottle, until Lreached the ninth; then I found a decided change in my cough for the better. I suffered severely from the palpitation of the heart, and two weeks after I commenced taking your medicine this two weeks after I commenced taking your medicine this

two weeks after I commenced taking your medicine this difficulty ceased.

When I first went to Dr. Schenck's office, it was with difficulty that I could get up into his reception roun, I was so week and so swelled; my tkin was as sallow as though I had the jaundice; I felt dull, heavy, and sleepy Dr. Schenck, after examining me, said both my lungs were affected, and gave me but tittle bone; but his medicines, in about two weeks, took right hold of me; it seemed to go right through my whole system. The Polimonic Syrap, Sea weed Tonic, and Mandrake Pills all took right hold in the right place. The Fills brought away great quantities of bile and slime; the Syrup loosened the matter in my lungs, which came off very tiee; the Sea-weed Tonic gave ms an appetite, and everything seemed to taste good. To show what great power the micholars had in purifying my system, and to thow he bad I was, breide all the bile that cassed my bow als, and the great quantities of placem and matter I thow ht w bad I was, bride all the bile that eassed my bowals, and the great quantities of placem and matter I expectorated. I broke cut all over in large boils, that would continue to gather and run for about six weeks, and I had ab one time aver twenty-five boils. I have nathing of the hind now, and feel like another person about tir. I can easily say that I have not emoyed such health for five years as I do now, and cannot praise you had your medicines enough. May God abundantly bless and preserve you! is the sincere desire of one who i as breen so wonderfully relieved through your agency; and if any one desires to know with regard to the truthfull test of this report, if they will call upon any of may full ris. of this report, if they will call upon any of my friends, or upon me, No. 4 Dryden place, near Thomas, son street, helow Cadwalader, Philadelphia, they will be perfectly satisfied with the validity of the case.
