John Forster, the ablest critic in England—the Litenoble mind. rary Editor of the London Examiner—in speaking of the AUTHORIZED TRANSLATION, by Wraxall and Esqui TOS, 8878: "On the publication of this celebrated Novel, in its original form, we entered very minutely into the story. E. H. BUTLER & CO. LES MISERABLES. TO THE TRADE.

In consequence of the appearance of a catch-penny edition of "LES MISEBABLES," reprinted from a pirated London copy, the publisher of the gennine copyright translation is compelled himself to issue a LOW-PRICED EDITION, which is just ready, the five parts complete in one volume, cloth bound, \$1.50, and paper covers \$1.

The well-known favorite five-volume edition will not be changed in style or price.

By ordering "CABLETON'S ELITION," the public will obtain, at the same price, a superior translation, in much larger and clearer type, and Booksellers will discourage and condemn the most unjustifiable and dis-

honorable case of reprint that has ever disgraced the annals of the American book trade. no19 ws tf DOEMS AND AUTOBIOGRAPHY, by T. H. STOOKTON, Chaplain to Congress.
