CAPITAL AND SURPLUS.

The business of this Company is conducted exclusively on the cash principle, which is now fully recognized as the only correct principle.

The law under which this Company is chartered provides that, if the capital should, from any cause, become impaired to the extent of \$25,000, or more, the stockholders shall be called upon to make good such deficiency. This is the only cash Company in America which affords this safeguard to policy holders.

Dividends declared overy three years, the next on March 4th, 1865.

Rates of premium charged by this Company are as low as 200 years' experience and the probable future rate of interest will justify.
