To Hall Lo D E LP H I A. D. E. P. H I L. A. D. E. P. H I A. D. E. P. M. D. E. D. E It were, from immediate death. About two years ago, while a resident of Cincinnati, Onio, I was visited with an attack of paralysis of the lower extremities, which rendered me almost entirely unable to stand upon my limbs. I employed some of the most celebrated physicians to be found in that section, but received no apperent benefit, and after a lapse of about eighteen months was taken with a spasm, which one of my physicians pronounced a fit of apoplexy. Two weeks elapsed from that time before I became the least conscious of anything that had transpired, nor could I concentrate my mind or converse upon any subject without becoming very visionary and excited, until I placed myself under your valuable treatment. After my arrival in Philadelphia my attention was called to your treatment by a pamphlet handed me by my father, which contained the names of some gentlemen whom I had been formerly acquainted with, and whose statements I could rely upon. I immediately made up my mind to place myself under your treatment. I have now been the recipient of four treatments, and I now feel perfectly satisfied that I am restored to a sound condition, and thefore feel it my duty to gratefully acknowledge the benefits which I have received through your treatment.

Very respectfully yours, &c.,
