THE PROSPECTS OF PEACE.-From the a uncertainty and conflicting circumstances of our, it is almost impossible to predict when our try will again enjoy the peaceful privilege of the "even tenor of its way." Notwiththis, however, our enterprising townsman, W. Alter, is carrying on the coal business at as place, Ninth street, above Poplar, with as sumess, and convenience to the public, as if ess nothing left of Secession but a name. Mr. by the way, sells the best coal, at unusually

THE FINEST CARTES DE VISITE that WO ever examined are those taken by Mr. Hipple, splendid ground-floor Photograph Gallery, 20 Arch street. rithout wishing to disparage other private schools, may be allowed to say that Miss Mary E. happy's boarding and day school for young ladies, Isil Chestnut street, is one of the few establisha isi the kind in the gity which can honestly be genta of the kind in the gity which can honestly be wommended to the favorable notice of parents. naim of the Principal has been to make the acsition of knowledge a source of pleasure, and is, added to the fact that she has been supported her efforts by some of the most talented teachers the city, has secured for her pre-eminent success. evidence of this we may name the following, ong hundreds of other well-known patrons of the ool:-Mrs. John Markoe, Mrs. George Emlen, , Charles F. Beck, Mrs. Coleman Fisher, Sr., John Price Wetherill, Sr., Hon, Mrs. Jonathan erts, Norristown, Pa.; Miss Mary Anna Longath Col. Thos. A. Scott. Assistant Secretary of 41; Col. J. B. Moorhead, dent Philadelphia and Erie Railroad Company; re Monroe, Frankfort, Ky. Judge Grier of the Supreme Court, says: "Four of my daughhave enjoyed the benefit of Miss Thropp's inuctions; I feel justified therefore in strongly remending her to others who may have daughters ducate, as a lady whose accomplishments and crience in teaching entitle her to the confidence attention of parents." Such testimony as this not be unmerited.

As object is a very laudable one, we trust the public ill lend a generous aid. The entertainment will be highly interesting one, as those having it in charge e spared no pains nor expense in order to make

The advices from Washington of the netion of Mr. Wil-son, of the Senate, and Mr. Spanlding, from the Ways and Means Committee of the House, who have respec-tively introduced bills authorizing a further issue of \$60,020,000, and \$320,000,000 more currency, together with the great and decisive victory at Murfreesboro, have, of course, a tendency to influte prices. The short interest is rapidly disappering, and many of those who until re-contly were Bears, have now gone over to the Bull side. Or the call Governments were about the same as yes-terday. Border State securities were a little better. The coal stocks were in some demand, at advancing rates for Delaware, Hudson, and Pfenasylvania coal. The scrutiftes of the Milwaukee and Prairie du Chien Raliroad Company, which have been for a long time dull and neglected, are attracting attention, the preforred shares having risen within a few days 6 per cent, the common stock 4 per cent. The immediato cause of this sudden advance is the prospect of the differences between the company and the La Crosse Raliroad heing satisfacto-rily adjusted. For several mouths past these two com-panies have been engaged in a flerce competition on pas-senger as well as freight business, but this will soon give place to paying rates and increased receipts. The first preferred yields 7 per tent, per annum. The common stock is in speculative demand, or the chance of a dividend this spring. The earnings of the line for the company and the series. BY THE BARD OF TUTER, HALL. Mr. Edgar A. Poo, As the public may know, Wrote a prem of singular merit About a queer bird \* Which one evening appeared To that bard-like an ill-boding spirit. Yet only one word Had that black-coated bird.

TALKING BIRDS.

That bird with an aspect suspicious; As he sat o'er the door. He pronounced "nevermore," In a manner and tone most malicious. I've a talking bud too.

SPECIAL NOTICES.

One surpassed by but few For good sense and correct elecution : 'Tis a parrot (a keen one, And by no means a green one). With no evil in his constitution, No omin ous word

Is pronounced by *this* bird : But he speaks out his mind like a man, sir; If you ask in what spot

The best Clothing is got, "Towar HALL" is that knowing bird's answer

Our assortment of Winter Clothing is still full and complete, and the largest in Philadelphia. Until furthe notice, to relieve our caployees from unnecessary con finement during the dull season, our store will be closed at 6 P. M., except on Saturday, when it will be open unti 10 P. M., as usual. [11] BENNETT & CO.

COUGHS! COLDS! CONSUMPTION! AND THE immense amount of human suffering from DISEASES of the PULMONARY ORGANS, may all be speedily and radically relieved by that well-known remedy, Dr. D. JAYNE'S EXPECTORANT.

Read the evidence: A SETTLED COLD AND COUGH CURED. CHARLES EDOINTON, of Garden Grove, Iowa, writes I have used your EXPECTORANT in a case of SET-TLED COLD, attended with a COUGH. After employing one of our best physicians, and receiving no benefit, l tried your EXPECTORANT, which cured me before halconstand one bottle of it. I have since used it in my family for common Colds, and other complaints fo which it is recommended, with the same success.

"ONCE MORE LIKE MY FORMER SELF." Mr. SAMUEL C. DAWSON, of No. 1217 Clarion street

Philadelphia, writes: Some time ago I was attacked with that most fatal di sense, BRONCHITIS, and finding that it was making sa havoc with my constitution, I sought the advice of physician, and while under his treatment I must say tha I seemed to regain my would strength almost as quickly as I lost it. After an interval of some months, however I was again prostrated, and, of course, sought my forme remedy: but this time with no good results, although gave it a long and patient trial. I next tried Cod Live Oil, and this occasionally afforded great relief, but mad no apparent cure. From the Oil I went to perhaps a do zen other specifics, warr mted to cure, &c., but all falled. I was at last advised by a friend to try Dr. Jayne's Expectorant, and the result, I am happy to say, has been most astonishing, and I am once more like my forme self. It will give me great pleasure to recommend your justly celebrated Expectorant to any one afflicted with a Bronchial Complaint.

BEST COUGH MEDICINE BEFORE THE PUBLIC. Rev. B. F. HEDDEN, Pastor of the First Baptist Church Camden, N. J., writes :

A few weeks since, while suffering from a very se-vere cold, I became so hoarse that it was with great diffi-culty I could speak so as to be understood. While in this condition your Expectorant not only gave me im-mediate relief, but in three or four days completely cured my cold, and removed my hoarseness. I, therefore, take measure in recommending the Expectorant as home in pleasure in recommending the Expectorant as being, i my judgment, the best Cough Medicine before the public

SPITTING OF BLOOD WITH HECTIC FEVER. Rev. A. WIBERG, writing from Wittingen, (Hanover

says: Shortly before Christmas last I gave two bottles of you: Expectorant to a man who was troubled with a very ob stinate Cough, accompanied by Spitting of Blood and Hectic Fever, from the combined effects of which he was becoming rapidly reduced. He had, in compliance with the advice of a physician in his neighborhood, tried var ous medicines, without relief, and was not inclined to look with any favor on the Expectorant. However, has ing persuaded him to take the two botiles home with him, I was much pleased to hear, after the lapse of a wee have since received a visit from him, during which ha spoke emphatically in praise of the Expectorant, and r turned his thanks for my exertions in causing him to give it a trial.

IMMEDIATE AND PERMANENT RELIEF.

Mrs. J. B. FISHER, of St. Johnsville, Montgomery county. New York, writes: My little daughter, aged teu years, has always been My little daugneer, aged ten years, nus atways been subject to Cold, i reducing Crour, Congestion, Inflamma-tion of the Lungs, or a severe, protracted Cough.
