centrated extract of Para Sarsaparilla, so combined
with other substances of still greater alterative power
as to afford an effective antidote for diseases Sarsaparilla
is reputed to cure. Such a remedy is surely wanted by
those who suffer from Strumous complaints, and that
one which will accomplish their cure must prove of immense service to this large class of our afficted fellowcitizens. How completely this compound will do it has
been proven by experiment on many of the worst cases

By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid
of this remedy, spare themselves from the endurance of
foul cruptions and ulcerous sores, through which the
system will strive to rid itself of corruptions if not assisted to do this through the natural channels of the
body by an alterative medicine. Cleanse out the vitiated blood whenever you find its inpurities bursting
through the skin in pimples, eruptions, or sores; cleanse
it which you find it is obstructed and sluggish in thayeins; cleanse it whenever it is foul, and your feelings
will tell you when. Even where no particular disorder,
is fell, people enjoy better health, and live longer, for
cleansing the blood. Keep the blood healthy, and all is

CITY DEMONSTRATED ON OVER FOUR THOU-SAND INVALIDS, AT 1220 WALNUT STREET, PHILADELPHIA.

The object of the following certificates is to show that cures at 1220 WALNUT Street are permanent and reliable. The first cure was performed nearly three years ago, the second was performed nearly one year ago, the third about one year, and hundreds more of like cases might be shown.

READ THE FOLLOWING CAREFULLY.

About twelve months ago I had a severe attack of Diabetes, attended with other difficulties too numerons to mention. My desire for drink was constant, and although I drank gallons per day, my thirst was never allayed; I was only able to sleep at short intervals, which seemed like a trance. The mucous surface of my month and throat had become so parched and feverish, that I was in constant misery. I was also suffering from all the borrors of Dyspepsia, loss of appetite, Nausea, and frequent and severe attacks of vomiting; and so prostrated was my general system, that I was scarcely able to move about. I had a valled myself of the science and skill of distinguished medical men, both of the Allopathic and Homeopathic school, and exhausted their catalogue of remedies, but found only temporary relief. In this condition, when every ray of hope seemed paralyzed, I heard of the discovery of Professor Bolles in the use of Electricity, and the wonders he was performing in curing disease, and placed myself under his treatment; and, to the astonishment of myself and friends, in two operations my Diabetes was controlled, and other difficulties soon disappeared; my appetite has returned, sleep undisturbed, and, in fact, I feel like one made anew.

I would further state that I have seen other remarkable cures performed by Prof. Bolles, and would advise the diseased to call at 1220 Walnut street, and he restored to health. I shall be glad to give any one information calling on me.
