James Spear—Dear Sir:

On the 14th of this month we purchased one of your "Anti-dust" Cook Stoves, and after having used a great variety of coal stoves during the last twenty years, we must frankly admit that yours is by far the best, in every particular, that we have ever had. We have, in more than one instance, started the fire in our new stove, and in twenty minutes afterward found it quite hot enough to bake bread, and boil at the same time. We could not now be induced fo part with this stove, or one like it, for five times its cost. SPECIAL NOTICES. BOAR, CLOTHING. PROF.
