WATCHES AND JEWELRY. . AMERICAN WATCHES. AFTER A THOROUGH TRIAL OF MORE THAN TEN YEARS, the time-pieces manufactured by the American Watch Company, of Waltham, Mass., have gained a firm hold upon the favor of the public, and now, no less than 75,000 of them are speaking for themselves in the pockets of the peeple. From a very insignificant beginning the business has increased to an extent exceeding our most stating that WE MAKE MORE THAN ONE HALF of all the watches sold in the United States. Repeated enlarge-ment of our factory buildings, and the labor of 500 operaves, still find us unequal to supply the constantly in creasing demand. And we may here observe that not-withstanding the high price of labor and materials, we actually sell our products at less prices than those current ive years ago. We refer to these facts only for the purpose of properly

amething to take the place of the make-believe watche called "Ancres." "Lepines." "English Patent Levers." or annually thrown upon this market, in countless numbers, by European workshops—watches which are the refuse of their factories, unsaleable at home and per-This object we have accomplished, and now we have o announce, that we have commenced the manufacture HIGHEST GRADE KNOWN TO CHRONOMETRY unequalled by anything hitherto made by ourselves and unsurpassed by anything made in the world. For this purpose we have the amplest facilities. We have erected an addition to our main buildings expressly for this branch of our business, and have filled it with the best workmen in our service. Profiting by our long expensions are proceeded to the form of our watches, inrience, we have remodelled the form of our watches, in-troducing such improvements as have been suggested and proved to be good from time to time, and have instituted ppensation.
