It cleans-es and renovates the blood, instille the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Its extraordinary virtues are not yet widely known, but when they are, it will no longer be a ques-tion what remedy to employ in the great variety of af-flicting diseases that require an alterative remedy. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit certificates to show its effects, but the trial of a single bottle will show to the sizk that it has virtues surgassing anything they have evertaken. nything they have ever taken.

THESE EXTRACTS HAVE BEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and are also in yery general use in all the STATE HOSPITALS and PUBLIC SANITARY INSTITUTIONS throughout the land, as well as in private practice, and are considered as invaluable remedies.
