'In these letters, the playful, affectionate nature
of the man sheds everywhere the loveliest radiance.
There is mucic in his descriptions, and a murmur of song
seems to ran through all his letters. They are the converse of his Songs Without Words, and we venture to
predict that the Letters of Mendelssohn will become as
classical as those compositions.

we have inclination to speak of a book in terms of equal
warmth. "Partherion". LEY POLDT.

The reputation of this medicine is now so well established that liberal-minded men in the medical profession throughout the Union recommend to their patients as the very best or remedies for Pulmonary Complain d General Deblitty, and in curing loughs, Golds. Consumption, Asthma, Bronchitis, Spitting of Blood, Woodelng, Cough, patents, Sore Throat, Difficulty in breathing, Paliting, P THE ORIGINAL AND GENUINE PREPARATION!

Medicine has ever obtained a Higher or More Deserved Reputation! Established over Quarter of a Century. COMPOUND SYRUP OF WILD CHERRY. COMPOUND SYRUP OF WILD CHERRY.

Volumes might be filled with proof from all parts of the world, to prove that no remedy has ever been discovered in the whole history of medicine that acts so promptly, even in the worst cases of pulmonary disease. A good appetite, complete digestion, strength, and a disposition for active exercise, is sure to follow its use. If you have been tampering with the many articles put out by porsons totally ignorant of the science of medicine, in theory or practice, and your case been neglected, the cough deep, with purulent and bloody expectration, pain and oppression, sore throat, diarrheas, night sweats, fever, parched skin, you will find in Dr. Swayne's Compound your only hope of cure. If the bowels are costive, or beadache ascompanies your disease, a dose of Swayar's Sarappe, and Tar Pills will remove it. Thirty years'experience, and the increasing popularity of "Dr. Swayne's Macicines," are convincing proof. Prepared oxiv by.
