BANKS.—This property is situated on the Juniata
river, in Millin and Huntingdon counties, Pa., within
one mile of Mount Union Station, on Pennsylvania Railroad. The Juniata Canal and Pennsylvania Railroad. The Juniata Canal and Pennsylvania Railroad. The Juniata Canal and Pennsylvania Railroad pass through the property. It embraces about twentyseven hundred acres of land; about taree hundred acres
of which is good farm land, in a high state of cultivation; the balance is good timber land, would supply
sufficient charcoal for the furnaces. The improvements
are a good substantial furnace, stack, steam engine,
iron blowing cylinders, &c., with all the necessary
buildings. There is on this property an extensive bod
of Iron Ore, being identical, in the geological series,
with that at Danville and Bloomsburg. This ore can be
mined and delivered at the furnace, for about one dollar
per ton. Limestone in abundance, of good quality, on
this property. The extensive coal fields of the Broad
Top and Allea henies are from forty to fifty miles distant,
by Pennsylvania Railroad or canal, and the canal running through the property makes it one of the best locations for the manufacture of iron, either with coke or
anthracte. In addition to the charcual, the buildings
for the furnace and farm are ample, substantial, and in
good repair. The property will be sold a bargain, and
on easy terms. For further particulars address
