Read the certificate, hunded to Mrs. M. G. Brown, of
\$\frac{10}{2}\$ Arch street, by Rev. P. S. Henson, pastor of Broadstreet Baptist Church:

PHILADELPHIA, October 17, 1882.

From injuries received in my right eye when a boy, a
chronic inflammation had been produced, in consequence of which I suffered constant, martyrdom. Every
moment of my waking life was embitisted, and I was
frequently unable to sleep at night.

A variety of remedies had been resorted to without
success, and I entertained the purpose, as a last resort,
of having the ball taken out of its sucket in the hope of
thus finding relief.

In the meanwhile, most providentially I noticed one
day in a shop window a bottle of Pear. Richard's Eye
Water. I had never heard of it before, but determined
to try it—and did with the most deligatint results. In
a few days the painful irritation was senonyed. I could
bear the strongest light, and went on as it were to the
enion ment of a new life. I now keep a bottle of it
always in the house, and if my so a-seems at all disposed
to annoy me, I give it a dose and that is an end of it. I
would not be without it for any amount of money. I
take occasion to say further, that my wife used to suffer
severely at times from protracted palu in and over her
eyes, and she has found Poor Richard's Eye Water a
fovereign sposific in her case, giving her simest instant
relief.

Grateful to God for the benefit I have personally re-POOR RICHARD'S EYE WATER No. 304 S. DELAWARE Avenue STEAM PROPELLER
